THURSDAY, MAR. 26, 1914.

We notice an advertisement in the daily papers warning the public against eating too much meat. It may be injurious, but at present prices very few editors need be uneasy.

The High School Debating Union that was established last year by the University of North Carolina has created much interest throughout the State, and the subject this year is especially interesting, that of the Initiative and Referendum. We are glad to see our boys taking such an active part in these debates.

A WORTHY CAUSE.

J. P. Cook, editor of "The Uplift," a monthly magazine published by inmates of the Jackson Training School at Concord, and chairman of the board of trustees of that institution, sends out the following appeal which is worthy of the consideration of every citizen of the State:

"The Jackson Training School for wayward and unfortunate boys, who became mixed up with the law, has saved to the state and society scores of boys who are now 'making good' in the walks of upright and useful citizenship. Only a few have gone back to their wallow."

"We have scores upon scores of applications from distressed parents to take their boys—our present capacity will not permit their reception. The Board of Trustees, through a publicity committee, are striving to raise funds to supplement the small appropriation annually received. I want to help them. If you will help me, I can make my voluntary service in this effort worth while."

"When I prepared with my own hands this little magazine, in which you find this letter, to be sent you, I thought of you individually and personally as one who would gladly grasp this opportunity to help a cause like this. This little magazine is made right here at the school, several boys that some cruel and impatient neighbor probably declared 'worthless' set the type and do the press work, fold the paper and stitch on the cover sheet. It is a source of revenue to the institution, and a training for the boys. I have personally undertaken the management of it, and hope to make it worthy of the lively interest of the intelligent public."

"If we had six thousand subscribers—an average to the county of just sixty—it would mean a profit to the institution of over \$4,000.00. This profit would mean the care and keep of over thirty (30) boys, whose parents and officers of the law are appealing to us for help. Don't you know that with six thousand subscribers—people of soul, of character, of love of humanity—that at least \$3,000 worth of meritorious advertising could be easily secured? This would mean the care of twenty more boys. Don't you want to have a part in this accomplishment for humanity? Then,

"Send your dollar for subscription—then send as many more dollars as you care to, furnishing a name and address for each dollar. This little magazine that you have thus caused to be sent out may do a great good somewhere and somehow that can only be reckoned with by eternity."

"Peculiarly, this will mean absolutely nothing to me—to the Stonewall Jackson Training School it means much—to some poor boy, headed in the wrong direction, it may mean his rescue—his salvation. I beg of you, therefore, to share with me the glory of rescuing some perishing youth, stranded and alone without hope."

To Prevent Blood Poisoning apply at once the wonderful old reliable DR. FORTY'S ANTISEPTIC HEALING OIL, a surgical dressing that relieves pain and heals at the same time. Not a liniment. 25c. 50c. \$1.00.

More Confidence in the Man.

(Extracts from letter written to Mr. Geo. E. Bisanar by a customer of his in South America.)

This is necessary in dealing with some, more than it is in dealing with others. Your physician and your druggist, for example, you must believe in them. In like manner one must have faith in the man from whom he buys diamonds or jewelry, and especially in his optician.

By tests of time, and otherwise, Mr. Bisanar has proved not only his ability but also his integrity.

Therefore I have carried jewelry thousands of miles in order to get him to do my work, and have gone out of my way in order to have him test my eyes and fit glasses properly.

My confidence in him is my reason for writing this unsolicited testimonial which he may use if he wishes for advertising purposes, and if you ask him, he will tell you who wrote it.

King Albert Objects to Slit Skirt at Court Ball.

Brussels, Belgium, March 14.—At the court ball last night the observant eye of King Albert espied a woman entering the ball room wearing an extreme slit skirt. The king whispered to the court marshal who immediately offered the woman his arm and led her from the room. At the door the marshal, bowing to the woman, said:

"His Majesty noticed that you had torn your dress up one side and requested me to escort you to your carriage, so that you may return home and have the damage repaired."

A few days ago a cranky sort of a fellow came into this office and stopped his paper because something in it did not just suit his fancy. We have frequently met him in the street since that time and it is amusing to note the look of surprise on his face that we are still here, regardless of the fact that he stopped his paper. Some day, and it may not be long, either—that fellow will turn up his toes. His heart will be stilled forever. Neighbors and friends will follow his lifeless clay to the cemetery and lay them to rest among the flowers.

An obituary will be published in these columns telling what a kind father, a good neighbor and beloved citizen he was—which the recording angel will overlook for charity's sake and in a very short time he will be forgotten.—Irvington B. Iletin.

SOME DON'T'S

For Stomach and Liver Sufferers

Don't take medicine for your Stomach ailments morning, noon and night, as usually such medicines only give temporary relief and simply digest the food that happens to be in the stomach.

Don't permit a surgical operation. There is always serious danger in operations and in many cases of Stomach, Liver and Intestinal ailments the knife can be avoided if the right remedy is taken in time.

Don't go around with a foul smelling breath caused by a disordered Stomach and Liver, to the discomfort of those you come in contact with.

If you are a Stomach Sufferer don't think you cannot be helped, probably worse cases than yours have been restored by Mayr's Wonderful Stomach Remedy.

Most stomach ailments are mainly caused by a catarrhal condition. Mayr's Wonderful Stomach Remedy not only removes the catarrhal mucus but allays the chronic inflammation and assists in rendering the entire alimentary and intestinal tract antiseptic, and this is the secret of its marvelous success.

Don't suffer constant pain and agony and allow your stomach ailments to physically undermine your health. No matter how severe your case may be or how long you have suffered—some dose of Mayr's Wonderful Stomach Remedy should convince you that you can be restored to health again. Mayr's Wonderful Stomach Remedy has been taken and is highly recommended by Members of Congress, Justice of the Supreme Court, Educators, Lawyers, Merchants, Bankers, Doctors, Druggists, Nurses, Manufacturers, Priests, Ministers, Farmers and people in all walks of life.

A Message To Women

Those of Middle Age Especially.

When you have found no remedy for the horrors that oppress you during change of life, when through the long hours of the day it seems as though your back would break, when your head aches constantly, you are nervous, depressed and suffer from those dreadful bearing down pains, don't forget that Lydia E. Pinkham's Vegetable Compound is the safest and surest remedy, and has carried hundreds of women safely through this critical period.

Read what these three women say:

From Mrs. Hornung, Buffalo, N. Y.

BUFFALO, N. Y.—"I am writing to let you know how much your medicine has done for me. I failed terribly during the last winter and summer and every one remarked about my appearance. I suffered from a female trouble and always had pains in my back, no appetite and at times was very weak."

"I was visiting at a friend's house one day and she thought I needed Lydia E. Pinkham's Vegetable Compound. I took it and have gained eight pounds, have a good appetite and am feeling better every day. Everybody is asking me what I am doing and I recommend Lydia E. Pinkham's Vegetable Compound. You may publish this letter if you wish and I hope others who have the same complaint will see it and get health from your medicine as I did."—Mrs. A. HORNUNG, 91 Stanton St., Buffalo, N. Y.

Was A Blessing To This Woman.

So. RICHMOND, VA.—"I was troubled with a bearing down pain and a female weakness and could not stand long on my feet. Of all the medicines I took nothing helped me like Lydia E. Pinkham's Vegetable Compound. I am now regular and am getting along fine. I cannot praise the Compound too much. It has been a blessing to me and I hope it will be to other women."—Mrs. D. TYLER, 23 West Clopton St., South Richmond, Va.

Pains in Side, Could Hardly Stand.

LODI, Wis.—"I was in a bad condition, suffering from a female trouble, and I had such pains in my sides I could hardly move. Before I had taken the whole of one bottle of Lydia E. Pinkham's Vegetable Compound I felt better, and now I am well and can do a good day's work. I tell everybody what your medicine has done for me."—Mrs. JOHN THOMPSON, Lodi, Wisconsin.

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health.

Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.
