MODEL HOMES

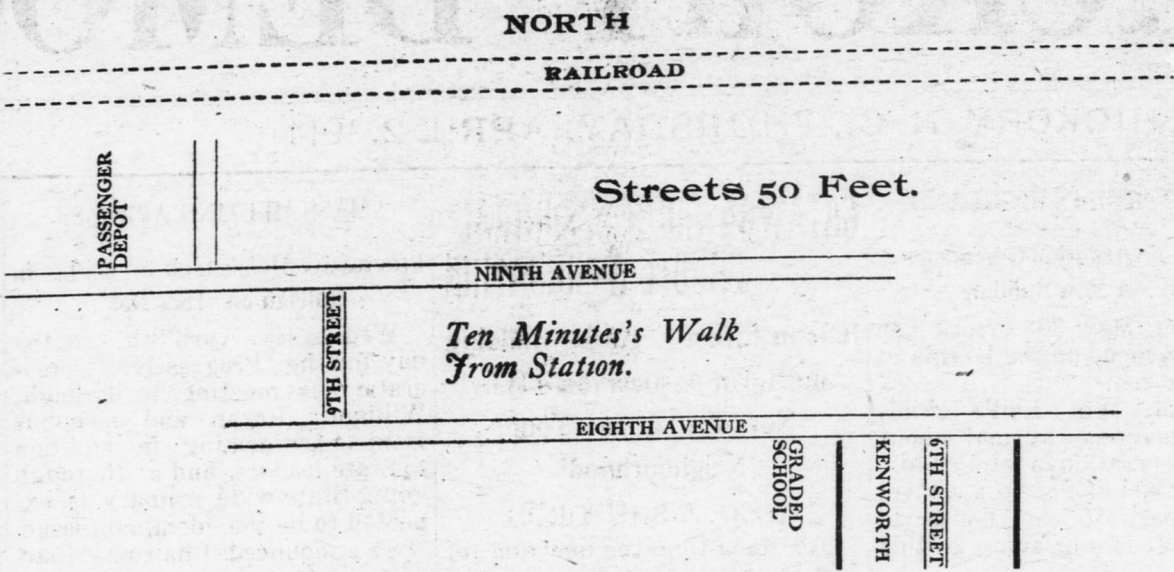

MOTTO:
DEVELOPMENT

Embellishing Nature

Is something of an undertaking but the builders of Kenworth are trying it. The new suburb which is rapidly growing up along 8th Ave. presents to Home Builders opportunities equaled by no other enterprise in this section. There are level meadows, wooded hillsides, steady valleys, through which run natural brooks and from many points may be had fine views. And all this is within 10 to 15 minutes walk of the station.

Community Betterment

We hear a great deal these days about this subject and rightly so. The best way to start is to get the city streets, which everybody uses, in a slightly and inviting condition, so that neighbor may visit neighbor without being tempted to use "cuss" words about the mud, etc. Good and pleasant surroundings conserve the health and sweeten the disposition of a people. Keep your eye on the Kenworth community.

Streets
The streets have been graded and are now being top-dressed with the finest of top-soil.
The Water Pipe
is being laid on 8th Ave. by the graded school and in the Kenworth streets.
Money People
are exhibiting an interest in this development and are driving out daily to view the progress that is being made.

New Houses
Two new houses are under way. They are models of convenience and modern architecture. They will have water and lights with all modern conveniences.

Hickory Merchants' Association Adopt Uniform Opening and Closing Hours for All Stores.—Ample Time and Opportunity Given to All Classes of Customers to do Their Trading.—The Move a Humanitarian Necessity.

The merchants of the City of Hickory have effected an organization that, it is hoped, will not only be beneficial to them and their employees, but to the public at large. One of the greatest hardships to the storekeeper and his assistants is the long hours made necessary through habits formed when Hickory was but a country village—that of opening the stores at break of day and keeping them open away into the night as long as there was a chance of a stray customer dropping in. We are all familiar with the sign at near railroad station restaurants, "Meals Served at All Hours—Day or Night," and Hickory store-keepers are expected to be almost on the same basis—open day and night. However, the day-and-night restaurant keeper has this advantage—he keeps a night force as well as a day force.

As we have stated above, this is a habit born of opportunity, and not the result of a necessity, and we feel satisfied that our patrons will willingly co-operate with us in our efforts to reduce the number of working hours of our assistants as well as ourselves. Just a little forethought is all that is needed to prevent any inconvenience to any of our patrons, and what will that little forethought mean to the many men and women employed in our stores? It will mean to them a better home life, opportunities for rest, reading and recreation, time to take part in civic affairs that is now denied them—in fact, make better citizens, better men and women, of the little army of clerks who so faithfully serve you. The Merchants Association was scarcely organized before this evil was stressed by many of our most prominent citizens, and we were urged to take steps to correct this condition. To this end, it was decided to have uniform opening and closing hours

for all stores. In the judgment of the directors of the Merchants Association, the hours named will work a hardship on no one, and are such that all classes of customers can be served at their convenience. However, we have no doubt that some of our good people will forget the closing hours a few times, but a few "forgets" will soon break up the habit; but remember, it will be your fault, not ours, if you forget.

The closing hours are:
All Dry Goods, Clothing, Hardware, Shoe, Jewelry, Five and Ten Cent Stores—
Monday—6:30 p. m.
Tuesday—6:30 p. m.
Wednesday—6:30 p. m.
Thursday—6:30 p. m.
Friday—6:30 p. m.
Saturday—10:30 p. m.
All Grocery Stores, Meat Markets, Oyster and Fish Markets—
Monday—6:30 p. m.
Tuesday—6:30 p. m.
Wednesday—6:30 p. m.
Thursday—6:30 p. m.
Friday—8:00 p. m.
Saturday—9:30 p. m.
By order of the Hickory Merchants Association,
ANNIE DOWNUM,
Secretary.

ELECTRIC RAILWAY FROM LENOIR TO BOONE

Lenoir, March 29.—A movement has been launched for the erection of an electric railway from Lenoir to Blowing Rock and Boone. T. H. Coffey of Blowing Rock is one of the leading spirits behind the plan, and he says that a considerable amount of the money necessary is already in sight and that the people of Watauga County are much enthused over the erection of the road.

The tentative plans as now proposed call for the using of the Lenoir and Blowing Rock turnpike as the roadbed for the electric railway and the development of the waterpower of the Yadkin River, near the foot of the mountains, for securing the necessary electric power. David R. Shearer, an electrical engineer of Knoxville, Tenn., recently made an investigation of the proposed site for the location of the dam on the above mentioned river, and estimated that sufficient power could easily be secured for the proposed enterprise. The grade of the Lenoir and Blowing Rock turnpike is thought to be sufficient for the electric line, with the exception of straightening out a few curves, and it is estimated that such a line can be built at a cost of \$5,000 a mile by using the turnpike roadbed.

Claremont College Items.

Miss Elizabeth Perkins Holbrook will give her graduating recital in piano on Monday night, April 6. Miss Holbrook will be assisted by Miss Ramsay. The public is most cordially invited to attend.

Commencement will include May 8-12. On the night of May 8, the graduating class will hold exercises. May 9, will be given to the Alumnae Association, May 10, the sermon will be preached to the graduating class, May 11, will be the commencement concert and May 12, the graduating exercises will be held. Fourteen young ladies will receive their certificates.

The school regards itself peculiarly fortunate in the speakers secured this year. The sermon will be preached by the Rev. Dr. W. M. Vines, pastor of the First Baptist church of Charlotte. Dr. Vines is regarded as one of the ablest preachers of his denomination and is easily one of the first preachers in the state. Not only the college, but the entire town of Hickory will be glad to hear Dr. Vines.

Mr. W. A. Self, of our town, has been secured to deliver the address to the graduating class. Mr. Self is literary, eloquent, of a fine personality, and one of the state's greatest orators. Claremont expects to have the best literary address ever delivered to Hickory.

Reformed Church Notes.

The midweek services which have been held for several weeks have been well attended. Strong sermons have been preached by Revs. Andrew, Rowe and Warlick, and this week Rev. W. H. McNairy of Lincolnton and Rev. J. D. Harte of the Baptist church of Hickory will preach. Next Sunday, Palm Sunday, the services will be especially interesting. The church will be appropriately decorated, the music in harmony with the occasion and Mrs. Dr. Shuford will sing, "The Palms."

Beginning on Tuesday night, March 7, the pastor will preach each night in the week closing Friday night. On Easter Sunday morning, the Holy Communion will be administered and at night the Easter service by the Sunday School will be held.

Rev. Stanford Gives Impressive Sermons.

Greensboro Daily News,
The service at West Market Street Methodist church last night was unusually interesting and impressive. Rev. A. L. Stanford took for his subject the question, "What is the greatest misfortune that can befall a human life in this world?" He discussed in a remarkably fresh and interesting way the blight of poverty and the distress of sorrow, but he showed how, out of conditions of poverty and sorrow, human lives have risen into beauty and strength. He found the answer to his question in Matthew 25:25. "And I was afraid and went and hid thy talent in the earth."
Seldom has there been a more impressive service held at West Market church. Men and women were powerfully moved by the sermon.

Found a Cure for Rheumatism

"I suffered with rheumatism for two years and could not get my right hand to my mouth for that length of time," writes Lee L. Chapman, Mapleton, Iowa. "I suffered terrible pain so I could not sleep or lie still at night. Five years ago I began using Chamberlain's Liniment and in two months I was well and have not suffered with rheumatism since." For sale by Grimes Drug Co and Moser & Lutz adv't.

Setzer & Russell have had the front of their store painted and put in four new glass show cases for displaying their goods. This is a decided improvement in the appearance of their store.
