DEMOCRATS HELD MEETING IN NEWTON MONDAY.

Endorse Adminstration and Announce Speaking Dates-Meeting Enthusiastic.

A large and enthusastic gathering of Catawba county Democrats was called to order in Newton Monday by County Chairman J. D. Elliott for the purpose of laying plans for conducting the coming campaign. Each voting precinct in the county was represented, and all the county candidates we e there.

The precinct chairmen of the different precincts throughout the county are highly pleased with the prospects for carrying the county Democratic in the coming election as every indication now is that the Democrats will carry the county by a larger majority in November than for many years past.

Many tributes of praise were given to President Wilson and his cabinet for the way in which they are handling the Mexican and European war problems, thus saving our nation thousands of lives that would in all probability have been killed in war had we not had such conservative men at the head of our government. The county candidates will

start out over the county on a speaking tour October, 8. The following is a list of the places at which speakings will be held. Other places will be announced in the next issue of

The Democrat: Pleasant Grove, Shuford precinct, October 8, at night. Ford, Huffman schoolhouse, October 9, at night.

precinct to be present at these speakings and to try to get as large a crowd out as possible. We also wish to remind every Democrat that the registration books are now open in their respective precincts and ask them to not fail to see that they are properly registered to vote in the coming election.
