

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful to night and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels, that your bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.

PROFIT SHARING WITH RETAIL BUYERS
On August 1, 1914, we made the announcement that if we could make and sell at retail 300,000 Ford cars between August 1, 1914 and August 1, 1915 we would share profits with the retail purchasers to the extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford cars in the time specified, and profit-sharing checks of \$50 each will be distributed as rapidly as possible after August 15, 1915. Retail purchasers who have not yet mailed us their profit-sharing coupons, properly endorsed, should do so without delay.
Our plan to profit-share with retail purchasers of Ford cars during 1914-15 has been most successful. We thoroughly believe in it, but, realizing the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.
We are, however, confident of our inability to reduce costs for several months, and therefore can offer no profit-sharing for cars delivered during August, September and October, 1915.

Make the South the Beautiful Land it Ought to be.

No people can be what they ought to unless they live amid beautiful surroundings, and there is no excuse for any farmer in the South not having a pretty farm and home. The Almighty will certainly make any farm beautiful wherever the farmer does his part—wherever gullies, stumps and sprouts are eliminated and fields kept large, whole and symmetrical instead of being ragged and spotted with neglected hedgerows and heartsickening patches of turned-out land.
Now is there any excuse, no matter how poor the owner may be, for having one single ugly home anywhere in all our Sunny South. Where we can't have paint we can have whitewash, and where we can't spend money on handsome buildings, we can at least have the glory of beautiful trees, shrubs, vines, flowers and grassy lawns that the Almighty puts within reach of everybody in our favored section. A Southern home without flowers ought to be a disgrace to the owner. Even a cabin whitewashed and made beautiful with blossoming morning-glories may be a greater delight to the eye than a showy mansion built without taste.
And just here there comes to us a letter from one of our readers, Mrs. W. I. Zachry, of Bexley, Ga., so happily expressed and so suggestive of our opportunities for adding to the word's beauty, that we cannot refrain from giving it emphasis on this page. She writes:
"I am living at an old homestead that has belonged to several generations of the same family. It has now passed into the hands of strangers; the members of the old family are dispersed and gone far away. But this place is a memorial to them, and especially to the first lady who came here as a bride and lived here as wife and mother through a long and useful life. Her impress is still upon everything, her spirit lives anew in the recurrent blooming of her rose garden. I, a stranger, feel a kinship with her as I breathe their dewy fragrance. Early in the spring myriads of daffodils, jonquils and narcissus came up in great haste. Some bore trumpets and were the trumpeters of the good tidings of spring, the eternal yellows of all the sunsets within the hearts of them, their fragrance and freshness almost divine. At Easter time the white flags unfurled in all their purity, an emblem of the sweet spirit of her whose pure thought and innate love of the beautiful gave them, a perpetual gift of loveliness, to those that came after her. Today there is a flaming of crimson lilies and amaryllis against the green shrubbery. Nor can we who are the inheritors of this loveliness forget that the sweetness of one woman made it all possible. Though she is mingled with the dust, the work of her hands lives on in the beautiful life of the lilies; she is immortalized in the blooming of her flowers."
Who of us should not covet a like immortality, and who of us should not strive to make home and farm a little fairer, a little more beautiful, not only for our own families, but for those who are to come after us?
Let's make the South the beautiful land it ought to be!—The Progressive Farmer.

A TWICE-TOLD TALE.
One of Interest to Our Readers.
Good News bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. This following experience of a Hickory man is confirmed after three years.
H. W. Jones, revenue officer, 620 Eighth Ave., Hickory, says:
"I was bothered by weak kidneys for some time. I finally got a supply of Doan's Kidney Pills at Lutz's Drug Store, and began taking them. They helped me more than any other medicine I ever tried. I was surprised and delighted with the results. They regulated the action of my system. One of my children also took Doan's Kidney Pills with success." (Statement given February 18th, 1911.)
Over three years later, Mr. Jones added: "I use Doan's Kidney Pills whenever I have backache or kidney complaint and always get relief. I confirm my former endorsement."
Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jones had. Foster-Milburn Co., Props., Buffalo, N. Y.

PARKER, N. C., MAN GETS QUICK RELIEF

W. R. Davenport Better After First Dose of Remedy.
W. R. Davenport of Parker, N. C., long suffered from a peculiar malady of the stomach, he sought treatment with but little relief. At times it seemed that he would have to give up hope.
He took Mayr's Wonderful Remedy and found immediate benefit. He wrote:
"For years I have suffered from a disease which puzzled doctors. They termed it catarrh of the stomach, saying the only hope would be a change of climate, and that in all probability I would never get well. Then I heard of your remedy. One bottle gave me instant relief. It made feel like a new man. Your full course of treatments has about cured me. Several of my friends have also been cured."
Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee—if not satisfactory money will be returned.

Was Allowed to Serve Sentence For His Wife.
Alamance Gleaner.
At the court here last week a fine example of fidelity was set. A colored man named Morris Graves, whose wife had been sentenced to jail for six months upon a conviction for selling liquor, asked leave of the court to serve his wife's sentence. Judge Allen was touched by the offer. He allowed the husband to plead guilty in a made-up case, sent him to the roads for three months, and let the wife go. It is a rare thing to see such fidelity; rather one sees shirking and conniving to escape, regardless of whom the hardship falls upon. Such examples are rare. Morris Graves is a credit to his race.
