

THE ALLIANCE WEEKLY. SUPPLEMENT.

Vol. 1.

Hillsboro, N. C., May 29, 1896.

No. 20.

HILLSBORO, N. C., MAY 27, 1896.

DEAR BRETHREN:

It is with pleasure that I can communicate to you that progress is being made at Headquarters. A proposition for a fully equipped shoe manufacturing plant was submitted to your State Executive Committee which met in special session May 23d, and after thorough investigation was accepted and a shoe manufacturing plant has been purchased, and will be placed in position and operation as soon as the necessary changes can be made in the building in which it is to be situated. A gentleman of splendid ability, a thoroughly competent manufacturer

of shoes will be in charge of this manufacturing plant. This is a grand stride for the Alliance. Our vats and the machinery in tan yard are being placed in position as fast as possible, and we hope to be turning out both leather and shoes before a great while. The following address I was ordered to have published by the State Executive Committee:

HILLSBORO, N. C., MAY 24, 1896.

The Executive Committee of the N. C. F. S. Alliance at its last meeting decided upon the following formed certificate for those who contributed money for our manufacturing enterprises:

Fraternally,

A. F. HILEMAN,

N. C. ENGLISH,

JAS. M. MEWBOORNE,

Executive Committee.

Now, brethren, the shoe factory and tannery are secured to you and and it behooves every Allianceman to send forward any contributions they can as soon as possible, remembering that you can get back at an early day the value in manufactured products, and yet draw a dividend for your advancement of money. We ought to have at least \$5,000 sent in here by next January, by the brethren. We need besides these factories, a foundry, oil mills, guano factory, plow, wagon, harness and collar factories, kitting and woolen mills, etc. These things can be had without a dollars expense to the members if they will let the State Alliance have a little use of their money which pays them a dividend, helps build these factories and help keep them running. Those who hold receipts can send them to me, provided they wish certificates and due bills issued in lieu therefor.

Fraternally,

W. S. BARNES, Sec.-Treas.
