HILLSBORDUGH :

Ye men of Carolina. Awake ! arise, awake ! And rend the coils asunder. Of this Abolition snake) If prother fold he fastens,

If this final cail he plies. In the fatal clasp of hate and power, Fair Carolina dies

The' round your lowet limbs and waste. His deadly coils I see,

Yet, yet, thank Heaven your head and arms And good right hand are free; And in that hand there glistens, on God what joy to feel !--

A keen and polished Bowie-kuife Of tempered State Right Steel.

Now, by the free born sites. From whose brave 1 day ye sprung. And by the noble mother. At whose found breast we bung, And by your wives and daughters, And by the ills they dread :

Drive deep that good second second steel Right through the Mouster's head.

This serpent Abelition.

Has been rolling on for verts-We have reasoned, we have threatened,

We have larged almost with tears. Now, away, away with Union.

Since on our own Southern soil, The only *Union* left for us. Is an Anaronda's coul.

Brave little South Carolina Will strike the self-same How, And Florida and Georgia;

And Mississippi too, And Arkansaw, and Texas,

And at the death I ween, The head will fall beneath the

Hillsborough Plaindraler. in beaven, she will array herself on the side of every cent's worth of the public property, it adgoes, so will all the border States go. I cannot tenths of Southern men who are ready to receive doubt that the Southern Republic will contain every the half of that property. The house is surrounded with armed butglars, and it is distressed to one of the fifteen slave States. But, when will Virginia act? This is a question know what will become of the hog pen-the capiof the utmost importance. Let us see what reply tol At Washington. It brings in a long account of

the value of a navy, which the recent invention of ought to be made to it. The Tribune of yesterday stated in the most posi- iron-clad ships has rendered almost worthless, and tive terms that Lincoln "is utterly opposed to any evinces no anxiety to rescue the soil of the South,

concession or compromise that shall yield one iota rich to untold hillions in fertility, from the despoilof the position occupied by the Republican party ing hand of the man who will control that navy. on the subject of slavery in the Territories." Add It is suddenly caget about the Territories ; and not to this the announcement made two days ago in six weeks ago " there was nothing practicable in the Springfield Journal (Lincon's organ) that the Territorial question," her " not one of them "South Carolina cannot dissolve the Union, that was titled to slave labor."

armed secession is treason, and treason must and But it is thresome, it is sickening, to dwell on will be put down at all bazards;" and we have, these ridiculous and blundering efforts to delay acbeyond all chance of mistake, a declaration of war, tion in Virginia. It is folly to talk about general f the worst of all wars, of civil war. How shall this civil war be averted? There We must act. We must act so as to prevent civil of the worst of all wars, of civil war. cannot be two opinions as to the proper, nay, the war, if possible, and it not possible, to meet it only method. The slave States must be instantly as formidably as feav be. This can be done cerand compactly united. How united " Not by tainly, (and in no other way,) by the secession of some States going out and others staying in, and Virginia at the earliest day. I shall not urge this, contenting themselves with saying there shall be. The course of affairs will be an argument more imno coercion. At a time like the present, when the perative than any I could use.

strongest passions that rage in the human breast | Before closing, I must notice the significant fact, are being aroused in every corner of the land, both that every appeal of (1 will not say the submisat the North and the South, a shilly-shally, yea-nay, I sionists-Virginians do not submit-those who do uresolute, would-be-mediator policy will not the are not Virginians-they are bastard dastards)tolerated. It is absurd to talk of such a policy every appeal of the Belayers has been addressed It would be useless, and, considering Virginia's not to the courage or the honor of Virginians, but position) base to adopt it. The border States must in their fears and their love of money.

take sides. Whosever is not for the South new, A point, supposed to be very strong, is made is against the South. The Richmond Enquirer about the re-opening of the African slave trade. I has taken the true ground. Virginia and Mary- have it in my power to state, upon the authority of land must be out of the Union before the 4th of leading men in every one of the Gulf States, that March, 1861. Lincoln must never take his seat in [in order to dissipate all suspicions on this score, Washington, even if Gov. Wise and his Minute they are willing, and their people are willing, to incorporate in the Constitution of the Southern Conmen have to take the place by storm. But there will be no need of thus, if Virginia federacy a provision against this trade. Can Vir-

goes out promptly. She will carry with her all the border States, and the solid front thus presented to Lincoln and his Wide-Awakes will, I am well be in constant danger of invasion of an army of pursuaded, be the best guarantee against civil war fifty thousand from, and this danger will cause peothat can be devised. The drift of events will ne- ple to sell off their slaves; and so Virginia will be cessitate this course on the part of Virginia. Let a free State in hifteen years." As to the invasion, us stop at once this pitiable nonsense of calling it makes not the sightest difference whether fifty secession cowardice and urging the South to invade thousand or fifty million of Northern soldiers come the North. A year ago, South Carolina tried the into Virginia. They will perish miserably, the plan of conference and co-operation. Any man whole of them, They may drive us to the mounplan of conference and co-operation. Any man whole of them, They may drive few, precious few, who remembers the answer Virginia gave to Com- tains; but out of the mountains few, precious few, who remembers the answer Virginia gave to contraction of the answer. A statesman as well as a scientist, he dis-missioner Memmingen Satisfied that the time had come other conference. Satisfied that the time had come other conference. Satisfied that the time had come to dot, and not to talk, she took the only course to dot, and not to talk, she took the only course to dot, and not to talk, she took the only course as a scientist, he dis-cusses this question in a letter to Bishop Otey, and save: "Another argument, which is fallacious, and which provokes aggression on one side, divided took when they came into the Union-the course councils on the other, and helps to bring the Union Virginia if she has a particle of State pride will into danger, is in relation to the insatution of slavetake when she goes out of the Union-the course ry. 'Annul the provisions of the Constitution; of separate State action. She discharged her Fede- disselve, the Union, and what security has the ral agent and resumed the power delegated to that Southern slaveholder against the running off of his agent. How else could she act? "Fight in the negroes by Northern abolitionists?" For the matin the Union?" This is a contradiction in terms, ter of this argument-the trials, the fearful trials The only possible mode of fighting in the Union is of separation having been endured and peace condone at the ballot-box. That fighting has already quered -I answer. Greaterse unity far greater than been done. And now we are asked by the very he has at any time enjoyed during these thirty men who deemed Lincoln's election no cause for years. The South would say in such a case, to listurbing the public peace; who would never have the North; If you wish to trade with us on fair opened their mouths it South Carolina had not and friendly terms, you must fulfil the relations and themselves upon us we have been compelled to omit acted ; who would have advocated coercion as stren- duties of friends and neighbors. We will make no nearly as Wad, or that dog. Andy Johnson advost treaty to establish any commutend relations with ented it, if the Colf Stores had, not joined South you until you agree not only to let our slaves alone, Carolina; and who have racked their brains for built pledge vetriselves also to deliver up the fugiexpedients to delay, retard, and finally to put down, tives. Would not that, think you, be guarantee Southern resistance ;-we are asked by these very enough to the Southern master that he should men four-Heroding Herod, in their anxiety to cover these firth remain in the quiet possession and up their refarious designs, to incrude the North peaceful enjoyment of his preparty ? Because they have been insulted othey never "Cuba is near by. The trade and intercourse of In the midst of the excitement and distraction thought we had been insulted-until lately.) we the North with Cuba are frequent and great. But which now reights supreme in the Federal City, I must cut our own throats? The trick is too trans- was there ever found a northern fanatic rash enough and it quite impossible to write a studied editorial. parent. I doubt not there were Tories in the Rev. to use the privileges of this intercourse as a olution who thought the Colonies ought to invade cloak under which to tamper with the slaves of Cuba? Never Why? Shufdy because such inhurvied letter in place of a labored article? It is No. The time for conference and cooperation terference would immediately bring down upon was last fall, when Providence (using John Brown Northern commerce restrictions, grievous to be

Of all the brave Fifteen.

In this our day of trial,

Let feuds and factions cease, Until above this howling storm

We see the sign of Peace : Let Southern men like brothers,

In solid phalanx stand, And poise their spears and lock their shields

From insult and from injury.

Has turned to scorn and hate ; And the hanner of Section. To-day we lift on high. Resolved beteath that glorious flag To conquer or to die.

From the Southern Literary Messenger. Mr Bagby's Letter.

[We promised our readers the following letter several weeks ago, but other matters pressing it until the present. Some parts of it are a little out of date; but age has only served to strengthen the writer's arguments, which are almost as applicable to Notth Carolina as Virgiria readers.

ED. PLAINDEALIR.]

WASHINGTON, December, 1860. May I not so far presume upon the good nature of the readers of the Messenger as to offer them a great Britain ! the best I can do.

South Carolina, true to her brave Huguenot as an instrument) sought to open our eyes to the borne. blood, has wilfilled her promise. She is no longer real nature and extent of Northern hostility to the "But all this security, and more; all these a member of the Republic. Exercising the unques- institution of slavery. Had we then consented to advantages, and greater, may be obtained in the tioned right of a sovereign State, she has judged South Carolina's noble and generous proposal, all Union.
