Just Like a Woman  
New York Evening World.  
Jeff Nutt, the comedian, went home at 10 o'clock last night and his wife became ill. Refusing to believe it was his early appearance that caused the trouble, Jeff asked her what was wrong.  
"I guess it's something I ate," replied Mrs. Nutt.  
"What did you eat?"  
"Some pickles and ice cream and then I drank some beer."  
Jeff called a doctor and soon after he arrived, Mrs. Nutt became unconscious. She remained in that condition several hours, but finally responded to treatment and opened her eyes. As soon as she was able to talk she summoned Jeff to her bedside.  
"Jeff," she said, "I know what made me sick."  
"What was it," he asked?  
"It was that carb salad I ate," replied Mrs. Nutt.

Second, that we desire to extend our heartfelt sympathy to our brother, the parents of the deceased, and all those near and dear to her.  
Third, That these resolutions be spread upon the minutes of our council, a copy sent to the bereaved family, and one, each, to our city papers.
