# RUSSIA TRYING HARD TO RESCUE RUMANIA

Diversion in Carpathians Meets With Success, but Teutonic Grip on Country Continues Fast. Crisis in Greece---Operations on Other Fronts.

(By Associated Press)

The Teutonic grop on Rumania remins unshaken and at last reports was tightening with three convergent forces continuing unchecked their IIU divance towards Bucharest. Despite stubborn resistance by the

flumanians, which appears to have increased as the armies of the invadeta approach, the invaders are now almost within gunshot of the They are nearest on their advance from the southwest, where a bown 16 miles away has been reach-On the northwest they have broken the Rumanian line permitting influx of Austro-German forces by way of Campulung.

The Russians meanwhile wen nitracking heavily along annia's favor. Today Petrograd renerts a pronounced success, declar-

Whether this success will have any mediate effect on the operation of Tentonic armies engaged in the main remonic arminst Rumania has not been indicated. Apparently it will be BRYAN WILL have to break into Transylvania before influencing the campaign in the
