### WHY RHEUMATISM COMES WITH COLD WEATHER

(By Valentine Mott Pierce, M. D.)  
A close connection exists between these two—cold weather and rheumatism. Prof. Alex Haig, of London, has the most followers in the medical profession in the belief that the presence in the system of uric acid or its salts in excess, is the real cause of rheumatism. Every one has recognized the difference in the appearance of their water as soon as it gets cold there is often a copious sediment of "brickdust."  
Several causes may lead up to an accumulation of uric acid in the system, which, in turn, causes rheumatism or gout, or creaky joints, swollen fingers, or painful joints. For one reason the skin does not throw off the uric acid, by profuse sweating, as in the hot weather, and the kidneys are unable to take care of the double burden. Another reason is that people do not drink as much water in cold weather as in summer, which helps to flush the kidneys. Again, they eat more meat in cold weather, and some people are so suspicious that they soon develop rheumatism after eating meat.  
At all such times persons should drink copiously of hot water, a pint morning and night, and take Anuric (double strength) three or four times a day. This Anuric comes in tablet form and can be had at almost any drug store. It dissolves the uric acid in the system and carries it outward. I would advise everyone to take Anuric occasionally, and continue for three or four weeks, and in that way, avoid rheumatism, gout and many of the painful disorders due to uric acid in the system.  
Make yourself healthy and strong by open-air exercise and diet. Then cleanse the liver by occasionally stimulating its action with a pleasant laxative composed of the May-apple, dried juice of aloe, and root of jalap, sugar coated and long sold by all druggists as Dr. Pierce's Pleasant Pellets. adv

### ANOTHER BIG COTTON MILL FOR GASTONIA

Gastonia, Jan. 16.—Application will be made today to the secretary of state for a charter for another cotton mill for Gastonia. It will probably be called the A. M. Smyre Manufacturing Company. The capital stock will be \$200,000, practically all of which has already been subscribed by local business men. No canvass has been made for stock subscription, all of them having been made voluntarily as soon as it became known that a new cotton mill was on foot.

This plant will have 10,000 spindles and will manufacture fine yarns. Several sites are under consideration, but none has yet been selected. The promoters expect to commence building within the next few weeks and will have the plant ready for operation early in the fall. The names of the incorporators have not yet been given out but they are among Gastonia's leading business men.

### TERRIBLE SORES

Mrs. B. A. Brady, Cunningham, N. C., was bitten by "chiggers." Her leg broke out in three terrible sores, she suffered terribly, could only find relief by lying down with her leg propped up. Six bottles of Mrs. Joe Person's Remedy with the wash cured her. Only one of the hundreds of cases cured of serious blood diseases.

Ask your druggist for Mrs. Joe Person's Remedy. Known for over thirty-five years. Safe and reliable for ailments peculiar to women. Ask your druggist or write Person Remedy Company, Charlotte, N. C. Send for free testimonials. Price \$1 per bottle, 5 for \$2.75, 6 for \$5.00, prepaid.

### GOVERNOR BICKETT AND BISHOP DENNY SECURED

Lenoir, Jan. 16.—Announcement has been made that Bishop Collins Denny of Richmond, Va., will preach the annual sermon at Davenport College on May 22, and that the literary address will be delivered on May 23 by Governor T. W. Bickett.

The exercises this year are looked forward to with unusual interest because of the recent addition of nearly \$100,000 to the endowment fund and the prospective plans for additional dormitory room and equipment.

The coming of Bishop Denny and Governor Bickett is in line with the usual high class commencement speakers at Davenport.

### MEDICAL INSPECTION OF SCHOOLS FOR CATAWBA

Newton, Jan. 16.—The Catawba county board of health in session re-elected Dr. George W. Shipp county physician and superintendent of the health department and declared for medical inspection of schools. Chairman Osborne Brown of the board of county commissioners presided and Supt. Geo. E. Long of the county schools was secretary. Present were Dr. J. R. Campbell and Mayor Geo. A. Warlick of Newton; Dr. Shuford of Hickory being unable to attend. The board recommended to the board of education and the board of county commissioners that the schools receive medical examination such as is conducted in other counties, so that every child who is handicapped by physical ailment of any kind may receive treatment.

### With Mrs. Harbin

Yesterday afternoon Mrs. Alice Harbin was hostess to the Abel A. Shuford Chapter, U. D. C. In spite of the very inclement weather, there was a full attendance. This being the day designated by the local chapter to be observed as Lee and Jackson Day, interesting papers on these two great generals were read by Mrs. W. N. Martin. An article read by Mrs. K. C. Menzies entitled "Wrong of History Righted" written by Miss Rutherford, historian-general, was greatly enjoyed. Each member of the chapter agreed to write a short paper on their ancestors who had a Confederate record, these papers to be placed with the historian of the chapter. Before adjournment delightful refreshments were served in the dining-room.

The Wednesday Afternoon Book Club will meet tomorrow afternoon with Mrs. J. H. Hatcher at three-thirty.
