Saved Girl's Life

"I want to tell you what wonderful benefit I have received from the use of Thedford's Black-Draught," writes Mrs. Sylvania Woods, of Clifton Mills, Ky. "It certainly has no equal for la grippe, bad colds, liver and stomach troubles. I firmly believe Black-Draught saved my little girl's life. When she had the measles, they went in on her, but one good dose of Thedford's Black-Draught made them break out, and she has had no more trouble. I shall never be without

THEDFORD'S BLACK-DRAUGHT

in my home." For constipation, indigestion, headache, dizziness, malaria, chills and fever, biliousness, and all similar ailments, Thedford's Black-Draught has proved itself a safe, reliable, gentle and valuable remedy.

If you suffer from any of these complaints, try Black-Draught. It is a medicine of known merit. Seventy-five years of splendid success proves its value. Good for young and old. For sale everywhere. Price 25 cents.

A PLAY FOR PATRIOTS

"The Fall of a Nation" is sure to stir patriotic enthusiasm when presented for the first time here on March 14th at the Hub Theatre. In New York and Chicago the great spectacle was the mecca of many thousands of patriotic Americans who cheered the big scenes to the echo. The author describes it as "a bugle call to arms for the national defense!" The story is of an imaginary invasion of the United States by a foreign power. After the defeat of our puny army and the subsequent usurpation of authority at Washington, the women of the country come to the rescue and by means of a secret, oath bound conspiracy contrive to expel the invaders.

Parisian Sage contains just the elements needed to properly invigorate and nourish the hair roots. It's a prime favorite with discriminating ladies because it makes the hair soft, bright, and appear twice as abundant.

Parisian Sage is inexpensive and easily obtainable at all drug stores.

BIG WAR SPECTACLE COMING

Thomas Dixon's dramatic spectacle "The Fall of a Nation," will be shown at the Hub Theatre Wednesday, March 14th.

Its peculiar distinction among the great war films is in its imaginative prophecy of America's future against the backgrounds of the European struggle and in the full view of all the besetting national problems. The author faces the welter of all the forces working in our national life--liberty, foreign ties, peace propaganda, militarism, suffragism, imperialism--and pictures their combination in a world-shaking cataclysm. The outcome forms a surprising denouement in which women assume a leading part in the country's emancipation.

2 27 4t Tues. SAY DOCTOR WILL SEE LAWYER FOR ASSAULT

Rumors that Dr. K. A. Price, who engaged Mr. A. A. Whitener in a personal encounter in reporter's court Saturday afternoon, had decided to sue the attorney for assault were current on the streets today. Dr. Price, probably acting on the advice of counsel, would not discuss the report and his friends said it would not be wise for him to do so at this time.

If suit is entered it will be for \$25,000. It was said, and the civil action will not come to trial before the case against the doctor is disposed of in police court. The physician will ask for damages more on account of the humiliation he is alleged to have suffered than from what he is said to contend was an assault.
