**WANTED:**

Farmers to know that we will buy your cream and pay the highest market price, not from October to April, but twelve months in the year. We not only want your eggs from March 20th to May 1st, but we also want them every month in the year.

We are contemplating the bringing of several car-loads of registered cows here in the next sixty days for distribution in this and adjoining country. If interested, write or come and see us.

We have the largest Co-operative Creamery in the South, and the only Creamery in Hickory, N. C., and we are in no way connected with any other creamery. We extend you a cordial invitation to visit our plant when in Hickory, and let us demonstrate to you our capacity and ability for serving farmers.

**Bottled Coca-Cola**

Its popularity is founded on its refreshing deliciousness, due to the fact that it is made with a syrup especially prepared for bottling.

For your own protection, when buying in bottles guard against misleading substitutes. Only the Genuine Bottled Coca-Cola has the name blown in the bottle, as well as imprinted on both the label and the crown top. Look for the name in all three places.

Demand the name by full name—nicknames encourage substitution.
