Easter Candies

The custom of giving candies as an Easter Gift has become well established. Nunnally's is the candy worth giving.

The prestige it has gained during the past thirty years has been created by high standards of discrimination which distinguishes it from other candies.

CHANCE FOR FARMERS
Every farmer in this section of North Carolina will be able to secure all the seeds he needs for planting if he will call on the First National Bank of Hickory. In a quarter of a page ad in the Record, the bank makes an offer that should appeal to the good sense and patriotism of every farmer. It is urged that persons who take the Record pass the goods news along to farmers who may not be subscribers, but who might be interested in the announcement. This is missionary work that will mean increased prosperity to this whole section next fall.

Lenoir College and Spencer independent team will play baseball here Monday afternoon at 3:30.

HAVE YOU BACKACHE, GOUT, RHEUMATISM?
(By M. C. Lucas, M. D.)
American men and women should guard constantly against kidney trouble, because we eat so much and all our food is rich. Our blood is filled with uric acid when the kidneys strive to filter out, they weaken from overwork, become sluggish; the eliminative tissues clog and the result is kidney trouble, bladder weakness and often the poison reaches the tissues, causing rheumatism and gout.

When your kidneys feel like lumps of lead, when your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night, when your suffer with sick headache, or dizzy nervous spells, acid stomach, or you have rheumatism when the weather is bad, ask your druggist for Anuric (double strength). I have found in practice that Anuric is more potent than lithia and in most cases it will dissolve the uric acid as hot water does sugar.

Most people do neglect themselves. Their tongue has a dark brown color, skin sallow, breath bad, yet they fail to see that their machinery needs attention. Everybody should take a mild laxative at least once a week. A pleasant way to clear the tongue and the highly colored water noticed in the morning is to take a laxative which will cure the inactive liver and biliousness.

A pleasant vegetable pill is made up of May-apple, leaves of aloe, and jalap, made into a tiny pellet and coated with sugar. First put up by Dr. Pierce nearly 50 years ago. Druggists sell these vegetable pellets in vials, simply ask for Dr. Pierce's Pleasant Pellets.

Holy Communion will be administered and the Confirmation of the members of the catechetical class will take place. The church's Easter message. There is a floral meaning to Easter, and a musical meaning, and an artistic meaning, yet all these are mere echoes and types of the spiritual meaning of the great day which will be kept tomorrow. Easter is the anniversary of the resurrection of Jesus Christ from the dead. Church attendance is greater on Easter than on any other day of the year. Some persons will go to church tomorrow who have not done so for months. The music and the flowers are partly responsible for this, yet we are persuaded that the deep spiritual significance of the day is really the underlying reason. A hunger for the resurrection nod in their lives draws men and women within sound of the Easter message. Yesterday and tomorrow suggest the loftiest, deepest and most inclusive reason why men and women should attend church. Good Friday and Easter—the Cross and the open Tomb—are the heart of hearts of the church's plea and of her very existence. The stand for her message of redemption and life.

Senior Luther league at 6:30 o'clock.
The pastor will also preach at the evening service at 7:30 o'clock.
