Easter Candies

The custom of giving candies as an Easter gift has become well established. Nunnally's is the candy worth giving.

The prestige it has gained during the past thirty years has been created by high standards of discrimination which distinguishes it from other candies.

ANOTHER FALSEHOOD
Springfield Republican.
The assertion, lately made much of by the German propaganda, that American lives were lost early in the war by the sinking by British mines in the North sea of the American ships Evelyn and Carib, was effectually disposed of in congress by Representative arison of Mississippi. In replying to Mr. Cooper's speech, which had drawn largely from Viereck sources, Mr. Harrison produced a letter from Count Bernstorff explaining that these ships had struck German mines because they did not take the course directed by the German admiralty. This appears to settle the matter.

SPECIAL AT THE HUB THEATRE TODAY
The special attraction at the Hub today is Baby Osborne, Pathe's little five year old Mite in "Shadows and Sunshine." This is a delightful picture and will appeal to every one. Don't miss seeing it.

Outstanding! In every community the name *Certain-teed* stands conspicuously for quality, good value, satisfaction, and fair dealing.

Certain-teed Paints and Varnishes

get their quality from the character of materials used in their manufacture and from the exactness with which they are mixed. The formula of ingredients printed on the label shows honestly and unmistakably the real worth of the paint. Modern, up-to-date machinery eliminates the uncertainties of mixing by hand and insures absolute conformity to the experts' printed formula. The price of CERTAIN-TEED Paints and Varnishes is based on the most favorable manufacturing, distributing and selling costs, plus a margin of profit smaller than is generally customary. This low price would not be possible if we had to depend upon an exclusive paint organization to market our paints and varnishes. CERTAIN-TEED Paints and Varnishes are guaranteed to give satisfaction. This guarantee is backed by the enormous resources of the Certain-teed Products Corporation. Whether you do your own painting or employ a professional painter your interests will be best served if you insist upon getting CERTAIN-TEED Paints and Varnishes. Any good dealer can sell you CERTAIN-TEED Paints and Varnishes. If he doesn't carry them in stock, he can get them for you.

Certain-teed Roofing

For factories, office buildings, farm buildings, garages, etc. CERTAIN-TEED is the efficient roof. It costs less to buy, less to lay, and less per year of life. It is light-weight, clean, sanitary, weather-proof, and fire retardant. For residences CERTAIN-TEED State Surfaced Shingles are available. They have all the advantages of CERTAIN-TEED Roll Roofing, plus artistic beauty. CERTAIN-TEED is guaranteed for 5, 10 or 15 years, according to thickness (1, 2 or 3 ply). If you are building, or need a new roof, it will pay you to investigate CERTAIN-TEED before deciding upon any type of roof. Sold by leading dealers all over the world.
