H. Nicholson farm, the greater portion of which is now owned by E. A. If a majority of the qualified voters at the election to be held on the date hereinafter mentioned shall vote in favor of said tax, the same shall be expended exclusively for the maintenance of schools within said district.

A NERVOUS WRECK
 From Three Years' Suffering. Says Cardui Made Her Well.
 Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work.
 I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.
 I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.
 I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.
 Nothing relieved me until I took Cardui. It did wonders for me."
 Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today. NC-134
