AMERICAN UNIT SHARES CREDIT FOR GOOD WORK

London, May 24.—This week'sfi b ing up the good work of the previous zation of "The Clansman." fortnight, and the American unit aithough still a small one, shares the redit for excellent work. Not on are the sinkings being kept at a fairly low figure, but the offensive against -boats also continues to show favorable results. The actual figures in this respect, however, are not

The British admiralty this week years a pleased smile at the mention of the submarine campaign, for the results of the naval work in the past two weeks are regarded as really indicating am important victory over the Germans. The German naval people throughout the early months of the ruthless U-boat war freely predicted that England would be "on her knees" by June 1, and gloomy pictures were painted of grim famine certain by that date for the people of Great Britain and France. June 1 is almost here, and German victory in the submarine warfare seems as far distant as ever.

"Tailoring First" in Palm Beach Suits

THE genuine Palm Beach Cloth has merit—that is an established fact — but the first essential to satisfaction in clothes made of this feather-weight midsummer cloth, is tailoring.

Palm Beach suits bearing the "High Art" label are tailored with a view to making this otherwise rather delicate fabric, servicegiving and shape-retaining and since there is hardly anything cooler than a Palm Beach suit, one who would enjoy mid summer comfort, should buy a
