> Flyers are Busy on British Front, but Infantry is Held to Trenches-Italians Continue to Make Gains in Isonzo--French Capture Post Near Verdun.

> > By the Associated Press. While the only sphere of intensive military activity at present is on the Austro-Italian front, where general Cardona is day by day pushing back the Austrian line on Triest, there are indications that the stagnation along the British and French fronts in France is about to end.

The signs that points most strongly to this ompending change is the intense aerial activity taking place. For the present, however. the allied infantry is being held close Hickory Boy Scouts will meet tonight to its lines.
