BACKACHE IS DISCOURAGING But Not So Bad as You Know How to Reach the Cause

Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Hickory people recommend Doan's Kidney Pills. Read this Hickory case:

Mrs. J. W. Neill, 423 Tenth avenue, says: "My back ached and I had pains through my loins. My kidneys didn't act right and I feel miserable. Doan's Kidney Pills, procured at Lutz's Drug Store soon brought great benefit."

Over two years later, Mrs. Neill said: "Whenever I have backache or other symptoms of kidney trouble I use Doan's Kidney Pills. They quickly relieve me." Price 50c at all dealers. Don't simply get a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Neill has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

RESOLUTIONS OF RESPECT

Whereas, It has pleased the Almighty Ruler of the Universe in His benighted wisdom to remove from the Knighthood of our Fraternity, the esteemed and worthy brother, the late J. H. Aiken.

Therefore, be it resolved, That Catawba Lodge No. 51 at its gathering on the night of July 5, 1917, do express the sorrow we each feel in the inestimable loss of a valiant and worthy brother and Knight, one who was ever ready to respond to any call for help and support, and one who did in his life time many things of credit to the order.

It is further resolved, That our brotherly sympathy be extended to Mrs. Aiken and her three sons and daughter whose loss in a husband and father we never can know, that we express to them our fullest appreciation of the value and high esteem in which the departed was held by the lodge. That we individually bow our heads with the family in recognition of the mandates of our Heavenly Father.

That a copy of these resolutions be spread on our minutes and a copy be sent to Mrs. J. H. Aiken and family, and that the same be published in Carolina Pythian and the papers of Hickory.

ATTACK IS MADE ON SOUTHERN CAMPS

By the Associated Press.

Washington, July 18.—Attack upon the war department's policy of training national guardsmen in southern camps and the method of compiling the army draft quota estimates continued today in the senate.

Senator Lodge said the estimate on the quota was "simply preposterous" and said the rolls had been padded. He wondered why it was the national guard of New England is to be sent to North Carolina while the army training camp is to remain in the north.

Senators LaFollette and Watson also voiced opposition to the sending of northern troops to the southern camps. Senator Watson expressed the belief that there was something back of sending the guardsmen to the south.

"No southern man controls the location of the camps and no southern man was on the board which located the camps," declared senator Overman.

Washington, July 18.—Senators who have been prominent in opposing conscription led the opposition to the administration bill of \$610,000,000 for the aviation service.

Provision for draft of the aviation forces was the principal objection, although Senator Chamberlain explained that the war department planned to have fliers volunteer and to draft only the ground aviation forces.
