

Do You Have Headache?

If you do, very likely it comes from your eyes and can be relieved with properly fitted glasses. Eye strains, headache and nervous troubles, the result of optical defects can be relieved. My examinations are made by the most modern methods and greatest care exercised in the selection of the proper formula for the lenses in every instance.

A NERVOUS WRECK

From Three Years' Suffering. Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work."

I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head. I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties. I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui. . . . Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today. NC-134

Clear water started into the mains from the pumping plant today and the water should be clear this afternoon. The discoloration was due to the necessity of forcing the fluid through the filters too rapidly to extract the mud.

Mr. Monroe Lutz yesterday brought to the Record office two extra fine tomatoes that were grown in Mrs. John M. Shufford's garden. While neither was the largest sent to this office, the two made the finest pair yet exhibited.

The Hickory Grocery Company is adding several hundred feet additional floor space to their building on East Trade street. This new building will also bring them in touch with the sidetrack and enable the unloading of freight and hauling. —Lenoir News.

Yesterday an unusual occurrence happened here. Two half brothers met who had never seen each other before. Mr. P. A. Miller, a local livcrman, is one, and is 37 years old. Asbury Martin is the other and is 58 years old. Martin has been out west all these years, and came here yesterday. They were glad to form each other's acquaintance.

REV. BERNARD H. HEMMETER ORDAINED TO THE MINISTRY

Newton, Aug. 1.—There was a very interesting service at the Lutheran church in Conover, two miles west of Newton Sunday night. The occasion was the ordination of Rev. Bernard H. Hemmeter to the gospel ministry. An interesting thing about the service was the ordination of the son by the father, Rev. Henry Bernard Hemmeter, president of Concordia College. Other ministers taking part in the services were Pastor Krenieher, Rev. Mr. Mannen, and Rev. Mr. Smith. Young Mr. Hemmeter just graduated from the St. Louis seminary in June and will take up ministerial work in Chicago in September.

THE SOUTHERN RAILWAY COMPANY

An Ambition and a Record

THE needs of the South are identical with the needs of the Southern Railway; the growth and success of one means the upbuilding of the other.

The Southern Railway asks no favors—no special privilege not accorded to others.
The ambition of the Southern Railway Company is to see that unity of interest that is born of cooperation between the public and the railroad; to see perfected that fair and frank policy in the management of railroads which invites the confidence of governmental agencies to realize that liberality of treatment which will enable it to obtain the additional capital needed for the acquisition of better and enlarged facilities incident to the demand for increased and better service; and, finally—
To take its niche in the body politic of the South alongside of other great industries, with no more, but with equal liberties, equal rights and equal opportunities.

"The Southern Serves the South."
