### CONSIDERS ERECTING SHIP BUILDING PLANTS

Washington, Aug. 14.—Bainbridge Colby of New York was sworn in as a member of the shipping board to succeed John B. White, of Kansas City, whose resignation was accepted by President Wilson along with those of Chairman Dennman and Vice Chairman Brent. There remains one other vacancy on the board which it is understood, will be filled by the appointment of a man from the Pacific coast.

The government has taken up the subject of contracts for construction of two government-owned ship-building plants to turn out fabricated steel ships. The contracts will be let soon, but changes will be made in the plan of Major General Goethals, formerly manager of the emergency fleet corporation, who proposed that builders of the yards be given an option to purchase. The new board it is understood, intends that the government shall retain ownership and also will ascertain the exact cost of fabrication before the contracts are approved.

Chairman Dennman, of the old board, held up the fabricating plan on the ground that builders would have delivered an undue profit on the transaction.

### SPECIAL PASTIME WEDNESDAY AUGUST 15th

The following is a synopsis of "The Duchess of Doubt" a five act Metro Wonderplay featuring Emmy Wehlen, which will be shown at the Pastime, Wednesday, August 15th: "I took the chances they wouldn't run a line of Kipling's, and now they are calling it luck." Clover Ames, country girl though she was, had it in her to take a chance—a big chance—to win happiness. She escaped from the tyranny of her aunt's household when a small inheritance came to her, conceiving at the same time the idea of posing as a lady of fashion. She had sense enough to find out thoroughly before she played her cards, just how the upper half of society deputed itself. But in spite of all her plans, things, which started so auspiciously didn't quite come up to expectations. That is, for a while, for before Clover had finished her game enough incidents had happened to make a thoroughly entertaining out-of-the-ordinary screen play.

Messrs. R. Lee Hewitt, Raleigh Bollinger, Andrew Wilson, Jr., and Frank Corpening of Newton have received appointment at Fort Oglethorpe and they will train for officers.

### TERRIBLY SWOLLEN

Suffering Described As Torture Relieved by Black-Draught.

Rossville, Ga.—Mrs. Kate Lee Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery, across the abdomen. He was so sore he could not bear to press on himself at all, on chest or abdomen. He weighed 165 lbs., and fell off until he weighed 110 lbs., in two weeks.

He became constipated and it looked like he would die. We had three different doctors, yet with all their medicine, his bowels failed to act. He would turn up a ten-cent bottle of castor oil, and drink it two or three days in succession. He did this yet without result. We became desperate, he suffered so. He was swollen terribly. He told me his suffering could only be described as torture.

I sent and bought Theford's Black-Draught. I made him take a big dose, and when it began to act he fainted, he was in such misery, but he got relief and began to mend at once. He got well, and we both feel he owes his life to Theford's Black-Draught."  
Theford's Black-Draught will help you to keep fit, ready for the day's work.
