That does not apply to all men working at camps of course, but the Record has been advised that a number of men have been disappointed.

WAR SONG

(By Ewart W. G. Huffman) A Toast For Company A. Here's to the boys of the Khaki brown, Each with a heart that mocks death's fate, Here's to the bravest lads in town, Here's to the best men of our state: Hoorah! Hoorah! Oh here's to the boys of our town, The bannered lads of Company A, The boys of the khaki brown.

Here's to the boys with a spear and a gun With courage high, brave heart and hand, Here's to the lads that fear no Hun And to the boys that guard our land: Salute! Salute! And here's to the boys of the town, The largest squad, the best that shoot, Of the boys of khaki brown.

Here's to the boys with a song on their lips And with a prayer down in his heart, Which thrills in bliss as he ever sips Out of the flow of freedom's mart. Away! Away! To the foreign fields they go, The honored boys of Company A, The Lads that dread no foe.

Here's to the boys as they leave our land Soon to fight for freedom's lore, Here's to the days-of-never again And a kiss to the dreams of yore: Goodbye! Goodbye! Brave boys of the red, white and blue, In pain or death or victory Our hearts are still with you.

Chorus Hoorah! Hoorah! Oh here's to the boys of our town The Bannered lads of Company A, The boys of the khaki brown.

WHAT WE SAY We say we love the Stars and Stripes And shout our bravery afar, We watch Old Glory as she wipes The horizon of freedom's war. We raise our hats in grand salute And challenge even hell to fight Against us if she dares to loot Our Liberty World Justice, Right.

We say we love the flag that flies Above this brotherhood of men, And swear by heaven, whatever dies This flag, shall bear no trampled stain. No foeman's boast or war's red sea, That echoes from your foreign land, Shall ever curse or even mar Our peaceful state, true, great and grand.

We say we love our land and state And yet it is a hollow cry, We laugh at death and challenge fate. And still we know our boast's a lie. We hear the belching of the guns See visioned troops ten million strong, And yet like fools we sleep--while Huns Grim hellish tricks breed in our song.

We say we love our God, our home, And heaven takes up our swinged cry, Alas--returned--'tis treason's foam Down with the traitor, let him die. We love ourselves, we, we who boast, The young, the old, who'er he be, To arms--if men--from coast to coast And fight and pray for liberty.

THE SEAMEN OF THE SEAS Look, the submarines and dream-noughts From the port steer out to sea, And the decks are full of rookies Dressed in blue. Hail, their hats in glee Are waved back at the people who Are cheering them in glee, To a goal of heavens own making. A goal for all, sweet liberty.

There's a mother lost in weeping And wither's a father drops a tear, There's a sweet quiet and dreaming And his eyes are dim in blue, There's a brother, sister, cousin, Looking sadly from the lee, At the brave lads of tomorrow, The seamen of the sea.

Soon the old ship's farther seaward Buck and tide the billowy waves; Soon the old moon lights the ocean While at home a mother prays. Soon the boom of shot and cannon Rings out across the sea, Next the battle cry, a victory won By the seamen of the sea.

Chorus Hail to the brave lads of the ocean Men who fear no storm or gun, Take our humble praise, heart-spoken, Thou who damn the German Hun.

RHEUMATISM

Physician Believes a Genuine Remedy for the Disease Has Been Found

Rheuma, the wonderful rheumatism remedy sold by Hickory Drug Co. and all druggists, gives quicker and more lasting relief than other remedies costing many times as much.

Rheuma passes the deadly poisonous secretions into the bowels, and kidneys, from which they are quickly thrown off in a natural, healthy way. Read what a reputable physician says about Rheuma: "I have made a most careful investigation of the formula employed in the manufacture of Rheuma, and I heartily recommend it as a remedy for all forms of rheumatism. I find Rheuma far in advance of the methods generally employed in the treatment of rheumatism, and altogether different in composition from the remedies usually prescribed."--Dr. Lyons. (This should give any sufferer from rheumatism confidence to try Rheuma.)
