GERMAN MILITARY STRENGTH SHOWS CLEAR DECREASE

Washington, Oct. 10.-Germany's military strength now shows a clear decrease for the first time since the war began, according to a review based upon data of the French general staff made public here last night by the French high commission. Worn down and driven back by the

never-ending pounding of the allies on the western front, the statement says, the Germans have made their supreme military effort after drawing heavily upon their inactive armies in the east and calling out their 1918 and part of the 1919 reserves. Thus, while the allies have reach-

ed and are prepared to maintain their full strength while awaiting the coming of Americas' great army, the enemy's resources are diminish-ing at the very moment when the military situation demands that they

AUSTRALIANS BREAK
STRIKE EFFECTIVELY
By the Associated Press.

Sydney, Australia, Oct. 10 .- American strike-breaking methods were used for the first time in Australia during the general strike of 50,000 men against the "American Taylor System" which marked the month of August in New South Wales. But there was this difference-here it was done not by a corporation but by the government of the state, and refused to accept the pay offered.
