

How Would You Like to Receive a Cheque for \$1000

You can tell a good advertisement from a bad one. Perhaps you couldn't write a good advertisement, because you might be at a loss for words, but if some one else had written the words for you and you merely had to select the best words and paste them together, you could probably make a pretty good advertisement.

\$2,000 IN CASH PRIZES

are offered for the best Advertisement of

The NEW EDISON

"The Phonograph With a Soul"

composed exclusively of quotations clipped from newspaper articles which the music critics have written about this wonderful new instrument. It costs you nothing to compete. Professional ad writers and all persons connected in any way with the manufacture or sale of phonographs are barred from the competition.

THE PRIZES ARE AS FOLLOWS:

- \$1000 first
 - 500 second
 - 250 third
 - 100 fourth
 - 50 fifth
- and \$10 each for ten that earn honorable mention.

Come to our store and get full particulars. We shall be glad to give you complete instructions and furnish you a sample advertisement already pasted up in proper form. We also provide a reprint of what the music critics have said about the new Edison.

Don't wait. The contest closes October 27th and your advertisement must be completed before that date.

who are willing to do our very best to assist him in this great food conservation movement. To you women who did so much in the summer in planting a garden and in saving the products of that garden by canning and drying, I make a special appeal. Come to the school house on registration day and bring every housewife whom you can with you. North Carolina wishes to stand in the very front of the list of states when the patriotic women of the country are registered, and you can do much in placing her there. The governor is to issue a proclamation calling on all housewives to register for the conservation of food on the 20th of October. Let us respond as patriotically as did our sons and brothers when they were called to register for military service.

HIGH SCHOOL CADETS

The Hickory high school cadet corps has been designated as Co. G, and H 17th regiment and is assigned in the same infantry with Washington, N. C., the only other school in the state yet placed. The local corps has 90 men and Ernest Abernethy is cadet major. The other officers are Captains Worland Eaton and Summie Whitener, Lieutenants Thos. Hamilton, H. Bethea Hamilton, G. and Paul Deaton G. and Paul Stevenson H. and Sergeants Paul Boyd and Ernest Bumgarner. Chief Campbell is adjutant and Louis Whitener is quartermaster. The corps had a good drill yesterday afternoon with Sergeant Robert Ward, formerly of Co. A, as drill master. The youngsters have learned to take the military step and

their instructor complimented them on their ability to master the details. Arms and kits have been ordered and soon the cadets will be equipped like veterans.
