Are you in favor of an early and honorable ending of the great war into which we are now plunged?

A War that has cost millions of lives, billions of dollars and devastated whole countries. That has staggered humanity with its dreadful toll of death and disaster, impoverished nations and threatened the very foundations of civilization.

If So, Prove Your Sincerity by Subscribing to the SECOND LIBERTY LOAN---NOW

No quicker, surer, more effective way to terminate the hostilities that by striking a quick decisive blow at the enemy. By overwhelming them with the magnitude of our resources, by matching their armies with bigger, better equipped fighting forces, with larger battle fleets, superior air craft and a vast flotilla of commerce carriers. Liberty Bonds will make these possible, will enable the Government to carry out the program already outlined by the Advisory Committee as a measure to insure an early ending of the war.

You can help---you SHOULD help by subscribing as liberally to the Liberty Loan as your means will permit. Liberty Bonds are sold in denominations of \$50, \$100 and up to \$100,000. You may buy them through this bank on weekly payments as low as \$1.00 for \$50 bond. Liberty Bonds pay 4 per cent interest, and may be negotiated as freely as any Government bond at any time.

CALOMEL ROBBED OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved -Unpleasant and Dangerour Qualities Removed -New Variety Called "Calotabs."

The latest triumph of medical science is a purified calomel, known as "Calotabs". The old-style calomel, as all doctors know, was the best and most generally useful of all medicines. The new variety, known as Calotabs, is purified and refined from all objectionable qualities, and is most delightful in effect.

One Calotab on the tongue at bedtime, a swallow of water-that's an No taste, no griping, no nasea, no danger. Next morning you awake feeling fine, with a clean liver, a purified system and a hearty appetite for breakfast. Eat what you please. or before the 4th day of October, There is no restriction of habit or 1918, or this notice will be pleaded original sealed packages; price sons indebted to said estate will thirty-five cents. Your druggist please make prompt payment. recommends Calotabs, and will refund your money if you are not de-

WHERE SAFETY-FIRST **WOULD HAVE** SAVED HUMAN LIFE

C. H. Williams, a Wake county farmer died in Rex Hospital, Raleigh, Sunday, April 1, from burns sustained in the explosion of an oil stove.

The 21-months-old son of Mr. and Mrs. B. J. Bryan, Jr., of Wilmington, died March 27, as a result of burns from falling in a tub of boiling water which had been placed on a porch for scouring purposes.

A negro, named Renfrow, near Bailey, bled to death, March 28, as a result of being struck by an axe which slipped from the hand of a fellow chopper severing an artery. Knowledge of first aid work on the part of the fellow laborer would have saved

George Williams, an aged blind negro, was burned to death in the fire which destroyed a three room cottage about five miles from Raleigh, March 28. The negro had been left alone in the house and when fire was discovered by neighbors it was not known he was there. No blind person should Am DIUOn be left alone in a house.

A fire at Wilson on Thursday, March 29, resulted in the loss of two lives. a negro woman and her child. News paper accounts of the incident stated that the woman was subjected to fits and it was supposed that she fell in the fire. Screens for the prevention of such accidents can be purchased as cheaply as fifty cents.

PREEMINENT PERIL OF ARSON

Any material evidence found at the scene of an incendiary fire should be LOST - A small white pig. Notify sarefully wrapped, marked with the 8 5 2t date and place found, as well as the caused by over-ind name of the finder in order that it tobacco, or overage may be identified in court. I would be much pleased to be call- system Wendell's A

ed by telephone or notified by tele- unsurpassed, while for gram immediately, when guilt is apparent, for it is much easier to trace splendid. Fifty a us at the arson before things at the scene of Mail orders filled, charges prepaid by a fire are disturbed. From the instant that the arsonist cusee, N. Y

applies the match, he sets into action our most destructive agency; a force, Whenever You Need a General Tonic which under circumstances favorable to its spread, baffles man with all fire-fighting agencies at his command. chill Tonic is eq The man who would burn to obtain General Tonic because it contains the insurance can be prevented by mak- well known tonic properties of OUINING ing it imposible for him to secure a and IRON. It acts on the Liver, Days policy in excess of sound values. If Builds up the Whole System. 60 cents he cannot profit by a fire, he will not burn. One of the greatest hazards that we have to contend with is over-insurance. We can force the removal of any other, but that one we cannot

The maximum insurance on a building should be the value that the assessor has listed it for, and two-thirds of the invoice should be the limit on any stock of goods. These inventories should be made and certified to by a Banish "Kultur" From disinterested party. How many buildings would be burned to obtain insurance if this were done?

A mental test should be made of the pyromaniac and he should not be released from the institution into which are ready and willing to enist be he is committed unless fully cured .-Fire Marshal B. B. Buckley.

HE THOUGHT HE COULD. There was a man who fancied that by driving good and fast He'd get his car across the track before the train came past.

He'd miss the engine by an inch and make the train hands sore. There was a man who fancied this; there isn't any more.

There was a man who though that he could win a bet By quenching in some gasoline a light-

ed cigarette. He thought the fluid, being wet, would drown the flame somehow.

There was a man who reasoned thus He isn't with us now.

ADMINISTRATOR'S NOTICE
