### BUSINESS REPORTED ACTIVE THROUGHOUT THE COUNTRY

Washington, Dec. 7.—Business was reported active throughout the country by the federal reserve board in its monthly business summary. Industries were declared to be busy in every reserve district but construction work, building and engineering was dull owing partly to the approach of cold weather and partly to the shortage of labor. Nearly everywhere the labor situation was pronounced unsatisfactory with a marked shortage of men and abnormally high wages. Bank clearings increased in all districts but in New York and Minneapolis.

### CHARLOTTE WINS FROM WINSTON-SALEM ELEVEN

Chapel Hill, Dec. 7.—In a hard fought game on a muddy field the Charlotte high school defeated the Twin City high school here yesterday afternoon 13 to 0, thus winning the western championship. The game was characterized by many fumbles on both sides. Charlotte, aided by the phenomenal playing of Templeton, was able to push over touchdowns in the first and fourth quarters. Winston showed flashes of form and put up a stiff fight. R. Wearn of Charlotte and Shepherd, Marley and Turner for Winston, played well. Winston suffered a great loss when Captain Crute was injured early in the game. In the second and third quarters the ball was mostly in Winston territory. At the end of the third quarter, Templeton made a spectacular run of 40 yards around right end. Winston held Charlotte on the one yard line in the last quarter and advanced the ball 25 yards before losing it on a fumble.

## AMUSEMENTS

### "SEVEN PEARLS" AT PASTIME MONDAY

"The Seven Pearls," Pathe's newest serial, holds more thrills to the yard than are to be found on the battlefield. This is the opinion of Miss Mollie King, who is being featured in this serial with Creighton Hale and Leon Bary. See the first chapter at the Pastime Monday December 10th.

### SPECIAL AT HUB SATURDAY

Because he looked so much like John Hinton, another man agreed to go to prison for him, provided that Hinton pay his family, a sorely pressed for money, a comfortable income. Once inside the prison walls, however, Hinton's double found himself helpless; and when he was finally released he discovered the betrayal of trust which had done what he had given years of his freedom to avoid. Frederick Warde has the two parts—that of Hinton, the stock swindler, and of the man who went to prison for him. The double portrayal is one of the biggest screen achievements.

### PEARL WHITE IN "THE FATAL RING" PASTIME TODAY

The following is a short synopsis of the eighteenth chapter of the "Fatal Ring," featuring Pearl White which will be shown at the Pastime today: This chapter has one of the most unusual stories ever evolved in a moving picture. In a series of thrilling incidents the violet diamond is hidden in a bottle of San Yen perfume.

There are only four bottles of its kind in existence and Pearl learns that they have been shipped from a big department store to people who had ordered them by mail. Disguising herself as a salesgirl, she succeeds in obtaining the slips giving the addresses of the purchasers. Careless however gets the same information. The rest of the episode is a race between the two to see which will get to the right house first.

### SOCIALIST'S BILL PROVIDES LEAGUE TO SECURE PEACE

Washington, Dec. 6.—Representative London of New York, Socialist, introduced a joint resolution "to initiate the organization of an international league to secure a durable peace."

It would have the president "invite the representatives of the parliaments of all the countries now at war with the central powers to convene in joint conference to be held at the city of Washington, D. C."

### TREAT FOR COUNTY HOME

This is to give everybody who wants to help an opportunity to share with me in furnishing a treat again for the inmates of the county home on Christmas day, 1917. There are twenty-six at the home at present,—it will take that number of packages. Let us not forget to show them that we think of them, in this little act of kindness, at least, once in twelve months.

Hand to me, or send in, the amount you want to give (to put sunshine in their faces once more) on or before twelve o'clock on the 24th as I want to fix up the packages on the evening before the 25.

Sincerely,  
M. A. ABERNETHY, Newton, N. C.

### KIDNEY TROUBLE NOT EASILY RECOGNIZED

Applicants for Insurance Often Rejected

An examining physician for one of the prominent Life Insurance Companies, in an interview of the subject, made the astonishing statement that one reason why so many applicants for insurance are rejected is because kidney trouble is so common to the American people, and the large majority of those whose applications are declined do not even suspect that they have the disease.

Judging from reports from druggists who are constantly in direct touch with the public, there is one preparation that has been very successful in overcoming these conditions. The mild and healing influence of Dr. Kilmer's Swamp-Root is soon realized. It stands the highest for its remarkable record of success.

We find that Swamp-Root is strictly an herbal compound and we would advise our readers who feel in need of such a remedy to give it a trial. It is on sale at all drug stores in bottles of two sizes, minimum and large.

However, if you wish first to test this great preparation send ten cents to Dr. Kilmer & Co., Birmingham, N. Y., for a sample bottle. When writing be sure and mention the Hickory Daily Record. adv
