# There's a Victrola here for you this Christmas

In fact, there's a complete line of Victrolas in every style, from which you can choose the exact instrument that will fit into your home. And whichever style you choose, it will fit into your heart, and into the hearts of your whole family. For the Victrola brings the very greatest artists to entertain you and inspire you in every one of your music-loving moods. Ask us to show you a list of the great singers, musicians, comedians, bands and

orchestras that the Victoria alone can bring to your home. Victor artists form the greatest congress of musical genius in the world.

Invite them to your home this Christmas. Enjoy them in the midst of home's comforts. Have them always at your hand to fill your life with melody. There is no better day than today to choose your Victrola. The Christmas demand is always greater than the supply, and you won't want to "get left." If you desire easy terms, you will find ours the easiest, most convenient you could wish.
