INVEST IN HUMANITY

By JOHN OLIVER LA GORCE Associate Editor, National Geographic Magazine.

"SUFFER Little Children to come unto me," declared the compassionate Christ. But never since He dwelt in flesh upon the earth have there been so many "Little Children" in need of compassion as now. There are the "Little Children" who have gone to France for you and me and for Christendom and by going have given their all. Can you do less? Shall you keep from your boy or your neighbor's boy that which is symbolic of the Compassionate One by neglecting the call of the Red Cross Mother?
