With the Army Corps Northwest of Verdun, Friday, Sept. 27.—German Marshal Haig's forces today capturprisoners counted up to noon today ed the town of Aleux, five miles. by this corps alone totaled more than 4,900. One division took more than 1.100 of the total and reports that it still has several hundred more. The prisoners include a large number of Prussian guards.

The prisoners carried in dozens of machine guns and automatic rifles, which were taken with them, and the same looked like a small arsenal. A majority of the prisoners expressed pleasure that the war has ended for them.

Washington, Sept. 28 .- America today set itself to the task of raising

a loan of \$6,000,000,000.

Although this was twice the minimum of any previous Liberty loan and by far the greatest war undertaking of any belligerent nation, treasury officials were sure it would be over-subscribed. Officials felt that it was a good augury that the campaign got under way just as the American army was making its big offensive in Champagne.

Subscriptions began pouring in today from all federal reserve banks. who was to begin his speech in the Many communities had over-subscrib- court house there at 3 o'clock this ed their quotas, even before the campaign began. Thousands of workers
