## BAVARIA REJECTS, 42 TO 8, SOVIET FORM GOVERNMENT

### Russian Ideas Voted Down by Assembly of Social Democrats—Exciting Scenes in Munich Followed by Dearth of News, but It Looks Good So Far.

By the Associated Press.  
Nuremberg, Bavaria, April 6.—(Via Copenhagen).—The Bavarian national assembly of Social Democrats has voted 42 to 8 against the introduction of a soviet republic in Bavaria.

### ANARCHISTS LOSE OUT

By the Associated Press.  
Berlin, Sunday, April 6.—There has been no definite news concerning the situation in Munich since the reports were received from the early exciting occurrences. From such news as has reached Berlin, however, it seems probable that a soviet government has not been proclaimed in any way that can be regarded as official or binding.

The opponents of the plan met with strong opposition in two quarters. The Bavarian diet, it is true, can hardly meet Tuesday, as has been the program, but because it is not assured of the support of the troops in Munich, who were reported in Munich dispatches Saturday to have expressed sympathy with the soviet cause, but to have declared their intention to maintain neutrality, although they would not protect the diet building which is armed with machine guns.

The proponents of the soviet idea, however, have met with great opposition on the part of the bourgeoisie, on the one hand, and the peasants, on the other hand. The peasants hold the trump cards in their control of the supply of foodstuffs, which they have declared they would refuse to deliver in case a soviet government was proclaimed.

### MRS. JONES DOING WELL

Mrs. E. Bryan Jones, who underwent an operation in a Salisbury hospital Sunday, stood it well and today at noon was getting along nicely. This was the good news that came to Dr. Menzies this afternoon.

## ENGLAND WON'T RECOGNIZE SOVIETS

By the Associated Press.  
London, April 7.—Lord Reading, the British ambassador, authorized the statement today that suggestions that Premier Lloyd George had desired the recognition of Lenin or Trotsky, the Russian bolshevik leaders, were wholly unfounded. The ambassador authorized the following statement:

"With regard to the suggestions which have appeared in some quarters that Mr. Lloyd George had advised the recognition of Lenin or Trotsky, I am in a position to state that these suggestions are without foundation. Mr. Lloyd George does not desire the recognition of that government."

### PAULINE FREDERICK AT PASTIME TUESDAY

The program at the Pastime Tuesday will be Pauline Frederick in "Hungry Heart," a Paramount picture. Taken from David Graham Phillips' novel, which was one of the "best sellers" this photoplay serves as the next starring vehicle for the lovely Pauline Frederick. The problem in the book, as everyone who has read it knows, is: "Can a man be true to his science and at the same time give to his wife the undiluted affection she necessarily craves?" The question may come home to many of you, but if it doesn't it will set you thinking mighty hard. The eternal triangle is given a new twist, and the solution is an interesting piece of work. Miss Frederick has the support of Howard Hall, Robert Cain and Helen Lindroth.

## VICE ADMIRAL SIMS REACHES HOME TODAY

By the Associated Press.  
New York, April 7.—The steamship Vice Admiral William S. Sims, will probably reach her pier late today. The vessel was due to dock here this morning, but was delayed by fog.

### TO MAKE REPORT

By the Associated Press.  
Washington, April 7.—Admiral

## WAGE INCREASE ORDER TO BE ISSUED

By the Associated Press.  
Washington, April 7.—Wage advances to be given members of the four leading trainmen and engineers brotherhoods were discussed today by Director General Hines and the chiefs of the brotherhoods and the order probably will be issued tomorrow.

The order will readjust wages so as to restore most of the differential between various classes of employees existing before January 1, 1915. These relationships were disrupted by the general wage increase granted last year. A few rates will be lowered, it was said, but the general level will be raised.

It was reported after the conference today that the brotherhoods' application for time and a half pay for over-time had not been granted. Neither the brotherhood chiefs nor the director general would comment on this feature.

## BAKER SAILS TODAY FOR TRIP TO EUROPE

By the Associated Press.  
New York, April 7.—Secretary Baker arrived here today from Washington and went direct to the army pier here to board the transport Leviathan for France. The Leviathan is to sail between 12 and 2 o'clock this afternoon, but might be delayed by the fog over the harbor.

Secretary Baker will be accompanied by C. W. Cuthell, the war department representative on the American liquidation commission. It is expected the war secretary's stay in France will be brief.

### APPRECIATE DONATIONS

Mrs. A. Burbonnais has received the following letter from Mrs. N. Buckner of Asheville, General Secretary of the Baracca-Philathea Union:

"I received your box and distributed the contents to several wards. We gave a bottle of grape juice to ward J-1, where the contagious case arose and where the boys are never allowed out of the ward and never get to town. The nurse wanted the jar of jam too, so as she had a boy who had a birthday yesterday, of course, we gave her the jam. Her name is Miss Cusack; ward I No. 1, Oteen, N. C., and I believe she is one of the most unselfish nurses I have ever known. She never lets us pass that ward without asking for something for her boys. We took the cake to another ward and put the other jars in ward I-8 and J. The magazines went to the 'Y'. Thus you see we reached a large number of boys in this way.

If you could see these boys eat cookies and candy I am sure it would not be necessary for me to tell you that they enjoy them and that you feel like sending me another box I will certainly be glad to have it, either of things to eat or flowers. In the name of our soldiers, I sincerely thank you for your help and cooperation."

## HICKORY CANTEN HAS NEW HOURS

Effective at once the Hickory canteen will observe the following hours: 8 a. m. to 12 m. and 5 to 7 p. m.

Persons who cannot leave their donations at the canteen during these hours may leave them at Whitener and Martin's store or Umstead Grocery Company, where they will be collected by the members.

The new hours were decided upon because there are few if any soldiers to be served on trains which pass through Hickory on other schedules.

Sims, who returns to the United States entered the world war, will come to Washington to make a personal report of his service overseas. After a short stay here he will go to Newport, R. I., to resume his duties as head of the naval war college.

## VIOLENCE MARKS REVOLUTION IN AUSTRIA IN PROSPECT

By the Associated Press.  
Lawrence, Mass., April 7.—Rioting marked by promiscuous firing by strike sympathizers and police marked the opening of the tenth week of the strike here today. The outbreak occurred in the vicinity of the Everett mills shortly before 7 o'clock, a few hours after the vicinity had been stirred by the explosion of a bomb in a tenement house in the same neighborhood.

Early reports indicated that no one was injured by the shooting, although several rioters and policemen were injured by stones and clubs.

## PRESIDENT'S COLD VERY MUCH BETTER

By the Associated Press.  
Paris, April 7.—President Wilson's condition was improved this morning, but by direction of Rear Admiral Grayson, his physician, the president remained in his bed and did not see callers.

Apparently the president's cold is in the last stages of the wearing-off process. He hoped to be able to resume work Tuesday.

### STEADILY IMPROVING

By the Associated Press.  
Washington, April 7.—President Wilson is "steadily improving," although still confined to his bed, according to a message received today from Paris.

### ELECTION TODAY

Hickory's municipal election was held today and Mr. J. D. Elliott was elected mayor and Messrs. F. A. Abernethy and Geo. S. Watson aldermen. Messrs. J. L. Cilley and E. M. Lyster held over from last year. There was no interest in the contest of course, but enough voters cast ballots to make it legal.

## BUDAPEST AGAIN CHANGES ITS COLORS

By the Associated Press.  
Vienna, Sunday, April 6.—The Hungarian communist government in Budapest has been overthrown, according to rumors in official circles.

Bela Kun, the foreign minister, is reported to have been assassinated.

The reports do not say whether the attempted revolution in Budapest was organized by the Socialist or the bourgeois parties.

### REPORT UNLIKELY

By the Associated Press.  
The communist government in Budapest was still in office Saturday and on that day Bela Kun in a statement to a correspondent of the Associated Press said that a proposition had been made through General Smuts, the Chief allied representative in Budapest, that the representatives of the various states of the old Austrian empire and Rumania hold a conference to discuss boundary and economic questions.

Recent reports from Budapest have indicated that the communist government was not meeting with very strong opposition in carrying out its measures.

Bela Kun was formerly private secretary to Premier Lenin of the Russian soviet government and has been looked upon as the real leader of the communists in Hungary.

## APARTMENT HOUSE FOR HICKORY SOON

Rev. C. N. Campbell of Charlotte has awarded the contract to Mr. J. H. Elliott to remodel the Hainthcock property, just south of the Presbyterian church and to make it into an apartment house. Each of three apartments will have three rooms and a kitchen. The work will begin next week.

Mr. A. M. Lawrence has returned to Richmond after spending several days with his sister, Mrs. L. L. Hatfield.

## IMPROVEMENT NOTED TO BRING WILSON HOME FROM FRANCE MAY FIRST

By the Associated Press.  
London, April 7.—There has been an improvement in conditions at Kandalaskha at the base of the Pola peninsula on the White sea, it is announced in an official dispatch from Murransk under date of April 5.

A rising Finns and bolsheviks had been planned on a large scale, the account states, but the announcement that reinforcements for the allied troops were on the way and that other military preparations had been taken to meet the situation have overawed the leaders for the time being.

## DOUBLE TRAGEDY IN ALABAMA TOWN

By the Associated Press.  
Heflin, Ala., April 7.—William Parker of Fruithurst and his wife are both dead and Richard Hooper, Mrs. Parker's father, is in the Heflin jail as the result of a double tragedy which occurred Saturday. Parker, it is said, shot his wife twice, killing her instantly. Hooper, who had brought Parker's wife and child to Fruithurst in a buggy, cut Parker's throat with a knife. Parker then staggered into his store next to the postoffice and dropped dead.

### NEW YORK COTTON

By the Associated Press.  
New York, April 7.—The cotton market showed renewed activity and strength during today's early trading. The opening was firm at an advance of 20 to 50 points on new style months and on reiterated reports that the peace treaty would be ready before Easter and a renewal of trade buying. There was southern selling and a good deal of realizing, but offerings were readily absorbed by the broadening demand with new style May and October 22 to 57 points higher before the end of the first hour.

## HELP CORPORATIONS ON INCOME TAXES

By the Associated Press.  
Mr. E. J. Smathers, internal revenue inspector and Mr. P. P. Jones, deputy collector, are now in Mr. Jones' office in the post-office building for the purpose of assisting the by towns in compiling their income and profit tax returns.

All corporations desiring free assistance in filing their returns are requested to come to this office at once or as early as possible, in order that the work may be completed as soon as possible, as these revenue men have other important work to be done in other fields, and their time is limited. Corporations desiring their assistance are specially requested to refer to the blanks they have received from the Stateville office in order to ascertain the exact data to get up before coming to file their returns, as the requirements set forth in the blanks are very important and absolutely necessary in preparing the returns.

This information consists of various schedules, balance sheets, analysis of surplus accounts, the amounts pre-war records, dates and amounts of dividends paid in the year 1919, the dates and amounts of income and excess profits tax paid in 1918 on the 1917 returns, an itemized statement of the income and expenses for 1918, a list of all Liberty Bonds and other obligations of the United States and the amount of interest received on same, etc.

## MEET GERMANS SOON IN FINAL PEACE

By the Associated Press.  
Paris, April 7.—(Havas Agency) —Paul Dutasta, general secretary of the peace conference, will go to Versailles today to prepare for the arrival of the German plenipotentiaries. It is probable that the preparatory meetings will take place in the former speaking room of the supreme war council in the main barracks at Versailles.

### MARRIED 54 YEARS

Friends of Mr. and Mrs. A. Hutton will congratulate them on their 54th wedding anniversary which they observed Saturday. That is a span of years that is seldom given to any couple to live together, and Mr. and Mrs. Hutton realize it. They grow more devoted to each other with the passing of each mile post in their wedded lives.

Miss Mattie Hainthcock's insurance agency has been purchased by Prof. W. H. Little of the Citizens' Insurance & Realty Company.

## AUTO RUNS OVER TWO PERSONS SUNDAY

Jim Knox, a white man with a Ford, was able to hit everything but the road near Icard, Burke county, yesterday afternoon. His machine left the highway and knocked Miss Lila Eckard, daughter of Deputy Sheriff W. L. Eckard, down, made a serious cut on her lower lip and caused injury to her head. The young lady was standing across the road ditch, but the machine jumped that and struck her. The injured were painful. Drs. Abernethy and Blackburn are attending her.

After Knox had driven ten or twelve feet, he struck Mr. Dock Pugh, a returned soldier, and sent him to the ground. Then Knox backed over the victim again, tearing his clothes badly. "Well, I saw some service in France," observed Mr. Pugh, "and I don't mind it if I was left for a fellow in a Ford on a country road to put me out of business."

It was said that Knox had loaded up a little and was endeavoring to prove that gasoline and liquor would mix.

## TRACY R. WALSH, GOOD CITIZEN, DEAD

Mr. Tracy R. Walsh, one of the best known citizens of Hickory, died Saturday night about 8:30 at his home on Sixth street, following an illness of several weeks. He was born at Monroe on June 3, 1874 and moved to Hickory several years ago and was a valuable representative of the Singer company here. He is survived by his wife and two children. The remains were carried to Mocksville for interment, after a funeral service at the residence at 10 o'clock conducted by Rev. D. M. Craig, assisted by Rev. W. Rowe. Mr. Walsh was a member of the Presbyterian church, an industrious worker, punctual and reliable, and his death is a loss to the community.

Mr. and Mrs. Frank Hildebrand and son, Master Bruce, of Drexel, are guests of Mr. and Mrs. J. A. Whitener.

## TO BRING WILSON HOME FROM FRANCE MAY FIRST

George Washington Undergoing Clean Up Preparatory to Return to Brest—Peace Conference Business May Be Concluded About Easter, It Is Now Thought.

## MEET GERMANS SOON IN FINAL PEACE

By the Associated Press.  
Paris, April 7.—Orders, which it is learned have been given for the return of the United States transport George Washington from America to a French port are not taken to mean that President Wilson is contemplating a premature departure from France.

They are thought rather to reflect a belief that the peace conference will be able to effect an adjustment of outstanding difficulties soon.

### REPORT IS READY

By the Associated Press.  
Paris, April 7.—The peace conference commission on reparations and damage today adopted a provisional report on the various forms of damage and the method of valuation. The report was presented by the first sub-committee of the commission.

### BEING CLEANED UP

By the Associated Press.  
Washington, April 7.—In reports from France of the plans for the president's return home, the navy department officials said no orders had been received for the transport George Washington, but the vessel was undergoing her usual clean-up preparatory to sailing April 15 for Brest. This would permit the president to reach home by May 1.

### PEARL WHITE AT PASTIME TODAY

The program at the Pastime today will be Pearl White in the third episode of the "Lightening Raider," Pathe News and a Lonesome Luke comedy "Girl of Tomorrow." Some good show.

## NEW PASTOR IS WELCOMED HERE

Mr. John M. Stephens, formerly manager of the Southern Public Utilities Company here, but now manager of the Greenville, S. C. plant, is spending the day in the city.

Rev. Charles R. W. Kegley, pastor of Holy Trinity Lutheran church, occupied the pulpit at both services yesterday and pleased two large congregations. The sermons were largely devoted to an appeal for Christian unity in the congregation and for a greater service to God and humanity by the church.

At the evening service Mr. Kegley appealed especially for Christian fellowship in the church, for love and unity among the members and for service to Christ at all seasons. Discussing love and honor, he asserted that the men who wore the khaki should never lack for positions as good as those they surrendered to fight our battles, and he spoke vigorously in behalf of them.

At the conclusion of the service, which was marked by deep interest, Mr. and Mrs. Kegley repaired to the front and there shook the hands of the members. The new pastor made a good impression in the pulpit and he has won many friends among the people generally. Mrs. Kegley also has won friends, and members felt last night that she would do as much as her devoted husband to further the work in Hickory. She is a charming woman, and Hickory people will welcome her and her husband gladly.

Good music was rendered last night, a solo by Mrs. Vernon Lackey being a feature. Mr. Kegley said during his sermon that he expected his congregation to fill that large church not only on Sunday morning, but at each service.

## MR. FLOWERS LEASES PLACE FOR CANNING

Mr. E. L. Flowers, manager of the Home Canner Manufacturing Company, has signed a lease for the old Catawba Milling Company building on Eleventh avenue and will conduct the canning department of his business there in the future. He will assume occupancy May 1. The property is owned by Mr. A. A. Whitener. The building on Tenth avenue occupied by this company will be retained as office and manufacturing plant, the business having outgrown and made more room necessary. Mr. Flowers will fit up the mill building which contains a basement and several rooms, and make it a model cannery.

Some of the machinery purchased in Salisbury some time ago will be installed and the cannery will be a large industry during the summer.
