IN MEMORIAM

In the death of Mrs. Mary Bonniwell on January 16, the Woman's Missionary Society of the Hickory First Baptist church has lost one of its most beloved and esteemed members. Therefore, be it Resolved, That the memory of her noble character and sweet spirit, her faithfulness and devotion to her Master's work, and of her consecrated life, will always inspire us to greater service.

That our Missionary Society is but one place where she will be missed—in the Sunday school work, in the church's activities and in the hearts of each one of us.

That we are grieved at the loss and while we bow in submission and faith to the will of our Heavenly Father, yet in the passing of this good woman to the reward of the higher life, we recognize a distinct loss.

We are thankful for her life among

us, for her devotion to the cause we represent.

We extend our sympathy to her relatives.

That a copy of these resolutions be sent to the relatives and Biblical Recorder, and also to the Hickory Daily Record and recorded in the minutes of our society.

MRS. R. F. HENDLEY.

MRS. A. J. ESSEX.

Big Value in Tires for Small Cars

Back of the manufacture of Goodyear Tires for small cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3½-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that, if you own a Ford, Chevrolet, Dort, Maxwell or other car requiring the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x 3½ Goodyear Double-Cure Fabric, All-Weather Tread..... \$20.00

30x 3½ Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x 3½ size in water-proof bag..... \$3.90
