

### All Milk Should Be Pasteurized

PASTEURIZING removes impurities which may have gathered on the way from the dairy to the bottling plant. Our milk is pasteurized by the Wizard Pasteurizing System which removes all bacteria without affecting the flavor or food value. The Wizard has the reputation of being the most efficient pasteurizing system on the market.

To be sure you get pure, pasteurized milk with a large proportion of cream, ask us to leave a bottle at your door.

## Keep The System Clean And You'll Be Healthy

Elimination helps to avoid colds, headaches and epidemics

ANYONE who has watched himself know there is nothing so important to health and comfort as regular daily elimination. Half of the minor illnesses of life are due to neglect of this. The few thousand men who were in our army know the importance the doctor attached to this function.

By all means try to regulate yourself by intelligent diet and exercise, but when these fail you will need a laxative, one as near to nature in its action as skill can make it. In the opinion of many thousands of good Americans such a one is Dr. Caldwell's Syrup Pepsin, which is a combination of simple laxative herbs with pepsin. It acts promptly, gently and without griping and will with certainty regulate any tendency to constipation that you may have.

### "Your overalls fit easy—why don't mine?"

"HERE we are, Bill, doing the same kind of work—and my overalls pull and bind—make me want to take 'em off—throw 'em away!

"And when I look at you, you're *always comfortable*. Your overalls fit just as easy as the day you bought 'em.

"Believe me—next time I'll take your advice and buy Blue Buckles."  
Hard work—kneeling, bending, stretching—is what Blue Buckles are built for. They are so big and roomy they always fit easy—make you forget you have on overalls.

"I've tried a lot of overalls, but of all I've worn I'll choose Blue Buckles every time. They always give long wear."  
—Tom M. Quilley  
President of the Iowa Corn and Small Grain Growers Association
