In retiring from this contest I want o assure my loval and true supporters of my deenest appreciation and gratitude for all they have done for me. With their aid I have made the best campaign I could under the conditions that existed, and as to these conditions every intelligent voter in the district thoroughly understands them. My devoted followers have not only done everything that they hongrably could for me under the leadership of my local and devoted camnaign manager, Mr. Thos. P.
