Viborg, Finland, Russian Frontier, Aug. 10.-Fluch with success and confident of Poland's defeat, soviet Lussia faces the winter with the grim problem of food as the supreme test of its career. The specter of starvation stalks threatening, as the far reaches give up the cry for the necessities of life from the people whose hearts long for a new day but who are forced to go to war.

The Associated Press correspondent just arrived here has observed these conditions in crossing Russia all the way from Vladivostok through Siberia to Moscow and Petrograd.
