

ANNOUNCEMENT!

We desire to announce to the people of Hickory that we are installing a

MODERN FAMILY LAUNDRY

Complete and up-to-date in every respect, to do family laundry. We will do three different classes of work—wet wash, a special rough dry and family finished work

We will announce our opening date later. We extend in advance our services and promise first class work.

We also announce that our electrical shop will be continued and our service there will not be slighted in the least. Our salesrooms are in our shop. For service in the electric line, call Hale Electric Company and we will respond at once.

It will be our purpose to make our laundry as serviceable as our electrical shop and appliances. Courtesy is the gulf stream in business that melts the mountains of icy indifference and sends the old ship of trade to the harbor of success.

YES OR NO WHICH DO YOU SAY
Folks With Thin, Pale Blood Hesitate—Feel Uncertain
SHOULD TAKE PEPTO-MANGAN
Red-Blooded Men and Women Know What They Want To Do And Do It
If maybe you are just recovering from a sick spell—or may be your system is run down and your blood so weak that you are in a poor shape to resist infection—
But if you don't feel and look robust you are not robust. Such state is often due to weak blood, not enough red blood cells a condition known as anemia.
The best remedy for anemia (bloodlessness) with its low mental and physical vigor is Gude's Pepto-Mangan.
Pepto-Mangan supplies the weak, watery blood with the very elements it needs to put new life into it. It repairs, re-creates, and re-builds the exhausted blood, the vital fluid of health and life. Try Pepto-Mangan if you are "run down." It cannot harm you—it will certainly help you unless you have some deep-seated chronic disease requiring the physician's care. Be sure the name "Gude's" is on the package. Without "Gude's" it is not Pepto-Mangan. For sale at all druggists.—Advertisement.

BOOTLEGGER OUTRUNS ALL FOUR OFFICERS

Chief Lentz, Sergeant Sigman, Night Officer Pepe and Mr. Charles Warren gave Long Pompey, colored a hard chase yesterday morning on Ninth avenue and Twenty-first street and captured nine quarts of liquor. Long thought it was a funny occurrence from the time he jumped out of an automobile and "went south" until he disappeared from view.
According to Sergeant Sigman, "they" could not run at all and he told how Arthur Pope in taking up the chase after Charlie Warren stumbled and fell, trailed along for half a mile and stepped when his tongue fell out. Long laughed, even though his Sunday sales were seized by the officers.
He left eight quarts in the automobile when he broke and ran and dropped the ninth bottle as Chief Lentz doubled on him.

SMYRE'S INSTITUTIONAL WORK

It is more blessed to give than to receive—Acts 20:35.
I am still working on the building and if any of you think it is a good thing in Hickory, please send a contribution to help me on my way.
I have located a place. If I had the means I could purchase it, the very place that would be suitable for the work.
The work consists of training children for service such as laundering, house keeping, domestic science, etc.
I am wanting to put in action right away if I can get help a baby home so when you want help and if they have small children, I can keep them there until their service hours are over.
To help the fatherless and widows in their affection is a part of our Christian duty—James 1st chapter and a part of the 27th verse.
There are lots of widows in town that are having a hard time.
What are we as Christians doing to help them?
They come to me often for help, as they hear of the work that I am trying to carry on, but not having any means to help from. I have to turn them away. If you will help me I can help them. Anything will be accepted.
Christmas holidays are coming on and everyone will be glad to get something to cheer them up!
Will you divide your share to help the poor? Any information

HIGHLAND CHURCH GROWING RAPIDLY

Rev. H. C. Whitener, who began his work as part time pastor of Highland Baptist church in July, has moved to Hickory and will devote all of his time to this church after the first of January. The new year will be ushered in with a home coming day on the first Sunday, followed by roll call and the Lord's supper.
The Highland church now has a membership of 130 and has advanced from a charge that raised \$400 in July to \$2,000 a year in December. It has money in the treasury and is in a flourishing condition.

Mr. Whitener, who came here from Mount Hope Baptist church near Montross, has resigned his pastorate three and after the first of January will give his whole time to the Highland church. He made the Burke county church a living influence in the community and with the help of active church people he already has achieved splendid results there.
