Washington, Dec. 22 .- Nearly two the billion dollars of commercial paper made by farmers has been rediscounted by federal reserve banks, it was stated by Governor Harding in a report to the senate committee. The amount of such discounts in 1919, was estimated at \$729,000,000.

Mr. Harding stated. "The special figures furnished by the federal reserve banks in accordance with your request," said Governor Harding's letter, "are estimates no exact figures of the total volume of loans for agriculture purposes being available.

This does not answer the information asked for by the committee," said Chairman Gronna, commenting on Mr. Harding's letter. "The state-
