THE HOPE OF THE WORLD The war of 1914 laid half the nations of the world in the dust. Their homes, their industries, their peace must be restarted by the rising generation. In them is the hope of the world.

To make motherhood easier, to secure for every baby a clean bill of health and a fair start in life-that is the problem. Lydia E. Pinkham's Vegetable Compound is an excellent medicine for mothers and for future mothers. For fifty years this medicine has been used successfully in all non-surgical cases of women's diseases.

"THE RIGHT WAY" IS GOOD PICTURE

The presentation of Thomas Mott Osborne's film "The Right Way" met with a cordial reception at Hub Theatre last night. The house was packed to capacity and many, as they came out, voiced their approval and pronounced it a most wonderful production. It is a picture superb and one that appeals and thrills. The story is true in every detail and is realistic to a marked degree. It deals with life on the lowest and highest planes and intermixed with adventure and climax ran the beautiful threads of love.

One boy was born in the slums. The other amid riches and luxury. Life shuffles the cards so that each draws a royal flush of vice and dissipation. Love plays its hand. The influence of a good woman fails to sidestep the onrush of crime which engulfs the two boys. The law tightens a net. To prison the men are sent. Then they learn of the impending fate of "The Smiler." The man with guilty knowledge is Wu Fang, leader of the Chinese Tong, who is a free man. The boys decide to escape and capture the Oriental. The days and nights bring thrills and excitement.

In realistic scenes one follows the men through a channel of adventure with climax after climax of suspense and interest. Of course the "girl just outside" once more greets her liberated sweetheart. Last showing of this wonderful picture this afternoon and tonight.

WON FIGHT 36 Raleigh, April 14.-The death of Congressman S. M. Brinson of the third district will bring on another warm contest among the democrats in the congressional primary, in the opinion of political observers who are familiar with conditions in that district. It is declared that Matt H. Allen of Goldsboro will be in the race. He had made up his mind to run in the race. He had made up his mind to run, it is said, and was waiting for Mr. Brinson to announce that he would not again be a candidate before making his announcement. Mr. Brinson's health has been bad for several weeks, and close friends had indicated that had he lived he would not announce for re-improvements in his health. In addition to Mr. Allen it is reported that Dr. E. L. Carr of Duplin wants to go to congress. Friends in Raleigh declare that R. H. Johnson, also of Duplin, will also make the race. There has been some talk that former Congressman George E. Hood of Goldsboro, would like to return, but if Allen offers the probabilities are that Wayne will center his strength on him, and Mr. Hood will not announce.

Corinth Reformed, Walter W. Rowe, pastor. Services this evening at 7:45 o'clock. "The Story of the Cross" will be given by the pastor. Preparatory services also at this time. The consistory will meet at the close of the service. The public is cordially invited.

CALOMEL ROBBED OF NAUSEATING QUALITIES

Medicinal Virtues Retained and Improved-Unpleasant and Dangerous Qualities Removed-New Tablets Named "Calotabs".

A recent triumph of modern pharmacy is the "de-nauseated" calomel tablet known to the drug trade as "Calotabs". Calomel the most generally useful of all medicines, thus enters upon a wider field of popularity-purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation and indigestion and in a great variety of liver, stomach and kidney troubles calomel was the successful remedy but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One tablet on the tongue at bedtime, with a swallow of water-that's all. No taste, no griping, no nausea, no danger. A good night's sleep and the next morning you are feeling fine, with a clean liver and a big appetite. Eat what you please.

Beware of imitations! Genuine Calotabs are sold only in "checkerboard" (black and white) packages bearing the copyrighted trade-mark "Calotabs". The large family size sells for thirty-five cents, vest pocket size, ten cents. All dealers are authorized to refund the price if you are not delighted with Calotabs.
