#### SELLING OUR SECTION

The climate and general conditions appeal than any other section in the country. There are parts of California that are almost ideal, if one cares that are almost ideal, if one care that ar

back everywhere. If it isn't one thing, it is another.

The most important element in the scheme of living, which is not the same everywhere, is mater. The air is good at most places unless it has been contaminated by gasses loosed by nature or by manufacturing plants. Some air is enervating, some plants. Some air is enervating, some to re-establish his party regularity; refreshing, but all of it is pretty he needs the governorship to prove most invigorating air in the world.

We must realize that advertising whether it he alize that advertising, whether it be merchandise, scenery or climate, is required to sell the goods. We should the machines in various lines of work emulate California, but first we should be prepared to extend that warm hospitality which so impressed our Hickory people in their travels, through the show. the west.

## SHERIFF JUSTIFIED

There was no question but that Governor Morrison's presence in Spencer Wednesday served to improve the tense situation there. Sheriff Crider had asked for troops in the RAYMOND HITCHCOCK belief that if the shops were opened, trouble would result. The first day's development was satisfactory from the law's standpoint, but the sheriff you more laughs than you have had for was merely taking prepautions.

Officers are blamed many times for of living. their unwillingness to ask for help in time of stress. # Save More and Earn More

Save more and you will most probably earn more. You will feel that you are getting ahead, you will take your work and your life earnestly and your work will soon tell in better results.

A savings book balance is worth more than the money it represents. It is a credential of character and industry. It gives you a feeling of "getting ahead" which increases your working efficiency.

The man who has a savings account here is always prepared for the favorable opportunity, always ready to step into a better position or make a good investment.
