FINE PICTURE PASTIME TOMORROW

Tomorrow and Friday the Pastime theatre will present R. A. Walsh's production "Serenade" with Miriam Cooper and George Walsh. FELT TIRED, SO TIRED

Indiana Lady Says She Was Run-Down, Suffered With Her Back, Took Cardui, and Got Well.

Richmond, Ind.—"I thought I would write a line or so, to say that I owe my good health and strength to Cardui," says a letter from Mrs. Cora Courtney, 31 Railroad Street, this city.

"I was all run-down until my family thought they would lose me," writes Mrs. Courtney. "My husband coaxed me to take Cardui, so, to please him, I did, and will say I do not regret it, for I am able to do all my work and do my shopping."

"I have five children, four in school, my husband and a boarder to do for, and I do all my own work for all of us, and find time to play. We all praise Cardui. Every sick and run-down woman should take this wonderful medicine."

"I suffered with my back; a very weak feeling in my limbs."

"I felt hardly able to drag; just tired—so tired all the time."

"It was an effort for me to do anything, but Cardui helped me so I felt like a different woman."

If you are in a run-down physical condition, suffering as this Indiana lady says she did, give Cardui a fair trial. It should help you.

Take Cardui. NC-147

TRAFFIC TO ARGENTINA RECALLS PRE-WAR DAYS

Buenos Aires, Oct. 1.—The port of Buenos Aires is resuming its pre-war activity. No less than seventeen vessels came in during a single day recently, a greater number than has been reported since the close of hostilities. The arrivals of the record day included five passenger liners, two from Germany, one from England, one from Italy and one from Holland, and twelve freighters. Among the latter were vessels of British, American, Norwegian, French and Spanish register, and their ports of departure were most diversified. Lumber was brought from Mobile and Gulfport, oil from Tampico, coal from Cardiff and general merchandise from Hamburg. Curiously enough the coal from Cardiff came in a French bottom, while the cargo from Hamburg was carried by a Spaniard.
