Santiago, Chile, Nov. 13.—Relief forces to aid the thousands made homeless by the earthquakes throughout Chile Saturday morning and the flooding waves which followed the shocks were being mobilized today. The death toll will probably be 1,000, it is said, and the property loss will run into the millions, as several towns were wiped out and ships along the 400 miles of coast were damaged or destroyed.

Five hundred persons were reported killed at Valparaiso and the districts surrounding it.

All along the coast little ships and big ships were swept ashore, pounded against the rocks or left high and dry. Small ports walls and quays were destroyed.

LENOIR COLLEGE WINS GOOD GAME

Lenoir College displayed a versatility in offense Saturday afternoon that made it more than a match for Mars Hill, which was defeated 13 to 12 on the local gridiron. Loose play enabled the visitors to score one of their touchdowns. Lenoir displayed a variety of new plays, including a line formation and trick forward pass that rarely failed to gain ground. On two different occasions the Lutherans held the Baptist for downs on the fiveyard line—a real test of the stamina of a team.

Brown and Carpenter in the backfield and Amick and Evans in the line excelled for Lenoir and Anderson at end for Mars Hill was alert and aggressive.

Followers of the Lenoir team were gratified at the decided improvement in play. It is now felt that the locals have found themselves and will be able to meet all comers the rest of the season, including Catawba College at Newton Thanksgiving.

Carolina triumphed over V. M. I. at Richmond Saturday before a crowd of 12,000 in the annual Armistice day game. Sparrow, one of the four Chapel Hill high school lads on the University team, scored three points with a drop kick and McDonald carried the ball over the line for the other six points after an impressive parade the entire length of the field a few minutes before the game ended.

Trinity was unable to pierce the Wake Forest defense at Raleigh Saturday and had to be content with a 3 point victory. The Baptists, rated the weaker team, braced for the fray and although they were unable to make gains themselves, they literally hurled the Methodists back when they approached the goal line.

V. P. I. defeated State College 24 to 9 at Norfolk before 6,000 fans. The West Raleigh team threatened in the last few minutes of play when in desperation a series of forward passes were attempted. The more powerful Heshmen and backs of the Virginians smashed the Tar Heels most of the game.

Elon as usual won its game, this time Guilford College being the victim, 20 to 6.

At Athens Virginia and Georgia battled in a hot sun to a 6 to 6 tie. Princeton won from Harvard at Cambridge, 10 to 3, much to the surprise of the football world and by the same score that the Tigers made last year.

Davidson defeated Wofford, 34 to 0, at Charlotte and the Observer says that the fans are due a real game when the Presbyterians meet Carolina there next Saturday.

R. E. Williams, sporting editor of the Raleigh News and Observer, accompanied the Carolina team to Richmond and sent his paper over two columns. It was a first class story of a thrilling game. The Associated Press story also was complete, though necessarily much shorter. Those newspapers which discard the Associated Press stories for those by special writers are depriving their readers of accurate accounts, except in the smaller games which are not featured by the great news gathering association.

COTTON TRADING IS HELD TO BE VALID

By the Associated Press.

Brown contended that the transaction was gambling and therefore not binding and further that the cotton futures act was invalid. The supreme court affirmed the lower court in favor of the firm, but did not pass on the statute's constitutionality.

COMMUNITY CLUB TO MEET TONIGHT

A meeting of the Community club has been called for this evening at 7:30 o'clock in the court room of the municipal building by the president, Mrs. E. B. Menzies, to decide what the club will do as its part toward the maintenance of Community Service here.

Every club member is urged to be on hand and give an expression of her opinion on the matter. Club members not attending must abide by the decision of the attending members as action will be taken tonight.

What Community Service can do for a town the size of Hickory has well been demonstrated, not only by the weekly fun fests but by the wonderful Armistice day program put on in the auditorium Friday evening and witnessed by hundreds of enthusiastic patrons. The recreation programs are gaining in popularity weekly and with the wealth of talent Hickory has to draw upon, the entertainments staged from time to time will be far above the average.
