FREAK EXPLOSION SPREADS DEATH AND HORROR IN ALABAMA MINES

Eighty-four miners were killed by a freak explosion in the Dolomite coal mine, Birmingham, Ala., The dotted line shrows the course of the dump cars which broke away, tore down north being those who worked in inthe tipple and, after going down the 800-foot incline, crashed into the yard below. Great clouds of coal dust arose. A high tension electric cable severed at the crash and ignited the dustrial centers during the world war dust. In the terrific explosion, 40 men were killed outright at the foot of the tipple. Deadly after-damp accounted for the remainder of the victims.
