Those who have had the pleasure of using Chamberlain's Pain Balm are enthusiastic in their praise of it. J. C. Myers of Myers & Woodward, Davis, Pa., in speaking of Pain Balm said: "It is a medicine the world could ill afford to lose. I know of nothing I could use that gives such prompt relief, and especially for sore throat. It also heals cuts and bruises quickly." For sale by C. A. Julian.

Lexington is tip-toe for Rev. Geo. E. Hunt for Congress from this district next time. No better nor more useful man could be chosen; wisdom to the front, obey her mandate and be wise.

A prominent western newspaper recommends flax seed tea as an excellent remedy for whooping cough. It may be good but it is not to be compared with Chamberlain's Cough Remedy. This preparation will allay the violent fits of coughing and make them less frequent and less severe. It also liquefies the tough mucus making it easier to expectorate. Complete recovery is much quicker too when this remedy is given. There is no danger in giving it to small children as it is a pleasant syrup and contains nothing injurious. For sale at 25 and 50 cents per bottle at Julian's drugstore.

Being acquainted, in the most part, with the teachers and other educational workers in Davidson county, we will present the names of the following gentlemen to the Honorable Board of County Commissioners as being the most suitable men, in our opinion, for a Board of Education in Davidson county, viz:

Rev. John R. Miller, of Fair Grove; Rev. John M. Bennett, of Michael; and Prof. Holmes, of Yadkin College. These gentlemen are thoroughly alive to the work, have the education of the youth of Davidson county at heart, and will constitute a Board of which Davidson will be justly proud of, if they are appointed. Give us these men, gentlemen, and let us build up the public schools of our county.

**HOW TO FIND OUT.**  
Fill a bottle or common glass with urine and let it stand twenty-four hours; a sediment or settling indicates a diseased condition of the kidneys. When urine stains linen it is positive evidence of kidney trouble. Too frequent desire to urinate or pain in the back, is also convincing proof that the kidneys and bladder are out of order.

**WHAT TO DO.**  
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in relieving pain in the back, kidneys, liver, bladder and every part of urinary passages. It corrects inability to hold urine and scalding pain in passing it, or bad effect following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to get up many times during the night to urinate. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists price fifty cents and one dollar. For a sample bottle and pamphlet, both sent free by mail, mention the DAVIDSON COUNTY NEWS and send your full post-office address to Dr. Kilmer & Co., Binghampton, N. Y.
