No Clue.

The murder of Mrs. Springs still remains a mystery to our people.

All kinds of sensational rumors were afloat in Lexington and the neighboring towns, but when sifted down there proved to be nothing in them. Mr. J. W. Holland brother of the late Mrs. Springs, while in search last Friday got on the trail of a suspicious character who was seen near Welcome. He traced the man to within a few miles of Danville, Va. when he lost the trail. Mr. Holland has returned to Lexington.

Gov. Russell has offered a \$400 reward for the murderer.

Bunch.

As we have been so busy of late we have not written much for the News.

Harvest is about over. The wheat crop is not near as good as we expected it was two months ago; there is hardly an average crop. Oats are better than usual. Corn looks well but is rather small.

Something to depend on.

Mr. James Jones, of the drug firm of Jones & Son, Cowden, Ill., in speaking of Dr. King's New Discovery, says that last winter his wife was attacked with La Grippe, and her case grew so serious that physicians at Cowden and Pana could do nothing for her. It seemed to develop into Hasty Consumption. Having Dr. King's New Discovery in store, and selling lots of it, he took a bottle home, and to the surprise of all she began to get better from first dose, and half dozen dollar bottles cured her sound and well.

Dr. King's New Discovery for Consumption, Coughs and Colds is guaranteed to do this good work. Try it. Free trial bottle at Julian's drug store.

Poor Blood

is starved blood. It shows itself in pale cheeks, white lips, weak digestion, no appetite, exhaustion, lack of nerve force, soft muscles, and, chief of all, weak muscles. Your doctor calls it Anaemia. He will tell you that the weakening weather of summer often brings it on.

Scott's Emulsion

of Cod-liver Oil with Hypophosphites, will make poor blood rich. It is a food for over-taxed and weak digestion, so prepared that it can easily be taken in summer when Cod-liver Oil or even ordinary foods might repel. SCOTT & BOWNE, New York

PISO'S CURE FOR CONSUMPTION.

Kiss Me And Say Good Night.

When the time has come that brings the sleep that bids the dead, And the silent tear that wrings The heart is being shed, As my spirit wings its flight Into some realm unknown: May I feel thy touch so light, And hear thy voice so soon.

Far removed the curious throng Who laughing feign to weep, Sing to me thy old love song And let me fall to sleep: Then I'll catch it's peaceful tone While yet it's adieu ring, For methinks around the theme The same the Angels sing.

Sweetheart, dear thy voice to me Is sweeter than music strains, And thy magic touch in reality Can drive away all pain: Then watch beside my bed and see My spirit take its flight, And as I plunge in death's dark sea Kiss me and say good night.

For once we loved each other, dear as life, And when I was by thy side I did not fear, But now the time has come: It is so sad to part, for you Know that I hold you dear as my Own and only sweetheart.

Now I must begone the Angels are Waiting to receive me good night, adieu, June 8th 1897. Composed by T. J. Thomasville, N. C.

Mr. W. H. Smith, editor of The Argus, Benton, Pa., recommends a remedy for diarrhoea which he has used with magical effect. "Several weeks ago," he says, "I purchased a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after using less than one-third of the contents the results were magical—effecting an entire cure. I heartily and cheerfully recommend the remedy to all suffering from diarrhoea." This remedy is for sale by C. A. Julian.

There are 100,000 unemployed people in Chicago.

Some time ago the one-year old child of Mr. M. E. Lindley, of Franklin Forks, Pa., had a very severe attack of colic. She suffered great pain. Mr. Lindley gave her a dose of Chamberlain's Colic, Cholera and Diarrhoea Remedy and in ten minutes her distress was gone. This is the best medicine in the world for children when troubled with colic or diarrhoea. It never fails to effect a prompt cure. When reduced with water and sweetened it is pleasant for them to take. It should be kept in every home, especially during the summer months. For sale by C. A. Julian.

Eastern Davidson.

On the 23 of June we were at a birthday dinner at Edgar Payne's. The invited guests numbered forty-two and still there was a great many of the relations absent. The table resembled a table at a picnic; loaded down with good things, and if you had been there and not been hungry it would have done you good to have looked on while we were endeavoring to do justice one time in our lives and a few of us were so thankful that we were so well capacitated for an occasion of that kind.

I am sorry that I make so many mistakes in writing but if you will read slow perhaps you can read better. I did not intend to write as a prophet perchance I did; certainly you read it so, but did I? Read again and see, and help me out of this dilemma I thought I was writing of the past and certain knowledge that came to light (perchance that was another mistake) but in a multitude of counselors there is safety so with me now. I am safe (except in the mistake) among a multitude cotemporaries. I really thought a prophet was a foreteller and not a backteller, now tell me which it is, will you?

Ignorance blissful Knowledge wistful I will depend Upon my friend To lead me through And say me too For 'twas all in fun When first begun And still like a dove All in love Evils thron will demolish Continue to better the polish A monument erect to fame And we shall earn a name That no geniuses will despise And one that never dies So for want of time I'll quit the running rhyme For it's time to go The cane to hoe So good-bye K. For I cannot stay. J.

CURES... SUMMER DISEASES

The Ideal Remedy for all diseases of the stomach and bowels, such as Diarrhoea, Dysentery, Indigestion, Dyspepsia, Cramps, Loss of Appetite, etc., is that standard of all medicines,

ROYAL GERMETUER.

Thousands of Certificates attest the fact. Mr. L. T. Collier, Kosciusko, Miss., says: "My bowels would act from ten to twenty times a day, of a bloody, mucus nature. My kidneys were very badly out of order. I was treated by the best physicians, and they said I could live but a short while. I then commenced using Royal Germetuer. In three weeks I could eat anything, and do as much work as ever. I continued the Germetuer, and can testify that I am entirely cured, and that Germetuer did the work."

It is as pleasant to take as lemonade, and builds up from the first dose. It cures disease by removing the cause.
