W. A. Westmonland was up from Raleigh Sunday.

Mr. and Mrs. J. T. Cramer returned from Winston Friday where they had spent the week visiting.

One of the best ways to make a town grow and thrive is to improve the roads leading into it; take care of the roads and the wagons with farmers in them will take care of themselves.

Fifty cents will now pay for the News until Jan. 1st 1899.

The case of P. C. Thomas vs Thomasville Shooting Club was decided in the Supreme Court Tuesday in favor of Thomas.

Miss Martha D. Westmoreland and Jonathan Rothrock were married Sunday at Sheriff Watford's. The nervous prostration from the excitement is such, the reports say, that the 'Squire has not recovered yet.

## A Sharp Trick.

It is reported and is all the talk of the town how one of our best christian citizen has "bit at a goldbrick" to the tune of eight or ten thousand dollars. It happened this way if we are informed correctly: Our citizen, whom we call A and another one we will call B, owned jointly a bonde lease on a small tract of land said to contain a gold mine. B went north to sell the mine and formed an acquaintance with C. B returned without selling the mine, then in a short time C came down to see A, the man who had the money, and tells A that he would buy the mine at a big figure. B could be bought out first. A buys B out at the above figures by paying about one-fourth cash, the balance in notes, and now the money and notes are gone and C cannot be found anywhere. A sharp trick sure.

## Consumption Can Be Cured.

A. A. Slocum, M. C., the Great Chemist and Scientist, Will Send Free, to the Afflicted, Three Bottles of His Newly Discovered Remedy to Cure Consumption and All Lung Trouble.

Nothing could be fairer, more philanthropic or carry more joy to the afflicted, than the offer of T. A. Slocum, M. C., of New York City.

Confident that he has discovered a reliable cure for consumption and all bronchial, throat and lung diseases, general decline and weakness, loss of flesh and all conditions of wasting, and to make its great merits known he will send, free, three bottles to any reader of the Davidson county News who may be suffering.

Already this "new scientific course of medicine" has permanently cured thousands of apparently hopeless cases.

The Doctor considers it his religious duty—a duty which he owes to humanity—to donate his infallible cure.

He has proved the dreaded consumption to be a curable disease beyond any doubt, and has on file in his American and European laboratories testimonials of experience from those benefited and cured, in all parts of the world.

Don't delay until it is too late. Consumption, uninterrupted, means speedy and certain death. Address, T. A. Slocum, M. C., 98 Pine street, New York, and when writing the Doctor, give express and postoffice address, and please mention reading this article in the Davidson county News.

## One Of Two Ways.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

### Chief Cause.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose, and if not doctored too much is not liable to weakness or disease, except in rare cases. It is situated back of and very close to the bladder, therefore any pain, disease or inconvenience manifest in the kidneys, back bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be as easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or setting indicates kidney or bladder trouble. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet, both sent free by mail. Mention THE NEWS and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietor of this paper guarantees the genuineness of this offer.

## Something to Know.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centres in the stomach, gently stimulates the Liver and Kidneys, and aids these organs in throwing off impurities in the blood. Electric Bitters improves the appetite, aids digestion, and is pronounced by those who have tried it as the very best blood purifier and nerve tonic. Try it. Sold for 50c or \$1.00 per bottle at Julian's drug store.
