R. C. May, aged 52, departed this life Monday morning. He had been afflicted with consumption a long time; and consequently his death was not unexpected. The remains were buried at Fair Grove Tuesday. Revs. Rich and Nelson conducted the funeral services. The News extends its sympathy to the bereaved family.

The streets at places are in a deplorable condition. A mudhole or two in Randolph street south of Mrs. Eliza Johnson is enough to make the whole neighborhood sick. And the side walks, don't say a word. If town authorities were aware of their condition we believe they would be worked at once.

Important Notice to Magistrates.

We wish to inform the Magistrates and others of Davidson county who use Blanks, that we have just printed a large stock of blank mortgage deeds especially prepared for this county and will mail same postpaid to all applicants at 15 cents per dozen. Cut this out and when you need blanks send us 15 cents in one cent stamps and a dozen will be mailed you. There is a very serious error in the present Mortgage deed blanks now distributed over the county. "IDENTURE" is used at the beginning of the deed instead of INDENTURE, which would probably annul the whole deed. Address, NEWS, Thomasville, N. C.

IT LOOKS LIKE PEACE.

Charlotte Observer to-day.

"The indications this morning point strongly to peace. The offer of the six great powers to mediate means much; the announced purpose of the Queen Regent of Spain to take matters in her own hands and to arrange peace means much more. At 4 o'clock this (Thursday) morning it looks like peace—it looks more so than it has for ten days past.

Thin Blood

Where the blood loses its intense red—grows thin and watery, as in anemia, there is a constant feeling of exhaustion, a lack of energy—vitality and the spirits depressed.

Scott's Emulsion

of Cod-liver Oil with Hypophosphites of Lime and Soda is peculiarly adapted to correct this condition. The cod-liver oil, emulsified to an exquisite fineness, enters the blood direct and feeds its every corpuscle, restoring the natural color and giving vitality to the whole system. The hypophosphites reach the brain and nerve centres and add their strengthening and beneficial effect. If the roses have left your cheeks, if you are growing thin and exhausted from overwork, or if age is beginning to tell, use SCOTT'S Emulsion.

Be sure you get SCOTT'S Emulsion. All druggists; 50c. and \$1.00. SCOTT & BOWNE, Chemists, New York.
