WINE OF CARDUI

For Mothers!

THE discomforts and dangers of child-birth can be almost entirely avoided. Wine of Cardui relieves expectant mothers. It gives tone to the genital organs, and puts them in condition to do their work perfectly. That makes pregnancy less painful, shortens labor and hastens recovery after child-birth. It helps a woman bear strong healthy children.

McELREE'S Wine of Cardui

has also brought happiness to thousands of homes barren for years. A few doses often brings joy to loving hearts that long for a darling baby. No woman should neglect to try it for this trouble. It cures nine cases out of ten. All druggists sell Wine of Cardui. \$1.00 per bottle.

For advice in cases requiring special directions, address, giving symptoms, the Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

Mrs. LOUISA HALE, of Jefferson, Ga., says: "When I first took Wine of Cardui we had been married three years, but could not have any children. Nine months later I had a fine girl baby."

WINE OF CARDUI

EASTERN DAVIDSON

I still hear, see and taste. I see the NEWS weekly I hear from Sweet Mary, and I taste of the ice cream when I go to the birthday party at Doctor Bird's. Some time since I was passing along with a jug in my hand and one of our Prof. feigned to take hold of it. There being nothing in it but machine oil I let him have it and asked him to hold it while I talked with some friends but he set it down rather abruptly. J

Did You Take Scott's Emulsion

through the winter? If so, we are sure it quieted your cough, healed the rawness in your throat, increased your weight, gave you more color, and made you feel better in every way. But perhaps your cough has come back again, or you are getting a little thin and pale.

Then, why not continue the same helpful remedy right through the summer? It will do you as much good as when the weather is cold.

Its persistent use will certainly give you a better appetite and a stronger digestion.

It will cure your weak throat and heal your inflamed lungs. It will cure every case of consumption, when a cure is possible.

Don't be persuaded to take something they say is just as good.
