It is the most natural thing in the world for the factions out of power, the. Gidsonites and the Radicals, to be dissatisfied. They are only mad because they are nyt in. Hence they are daily de-nouncing Cleveland and the Bem-ocratic party. But the country has had a sample of their rule. Since the war they have held sway, and times have grown in the world for the factions out sway, and times have grown worse day by day. It will take the Democratic party some time to stay the tide of ruin which set Hannersville Locals. in from their rule and the terrible effects of which is still upon the country.
