

THE TRUMPET

A CHEAP thing is not always a good thing, and a good thing is far from being always cheap, but when a cheap thing is a good thing, and a good thing is a cheap thing, that is the thing to buy. Now, Thos. C. Wetmore does all kinds of Job Printing at the very lowest prices, does it well, and on good material; so here is cheapness and good quality combined. Send all your orders to him.
