Entered as second-class matter December 21, 1906, at the Post office at Lincoln, N. C., under act of Congress of March 3, 1879.

ISSUED TUESDAY AND FRIDAY

TUESDAY, MAY 16, 1911.

THE News congratulates chief McAllister and his faithful fire ladders on their fine work Friday night. The job was well performed and they deserve the thanks of the entire town.

THE citizens of the town up to yesterday have made up a purse of about \$150, which will be presented to Mr. Jake Ford. This is a generous act and it will be duly appreciated by Mr. Ford, not for the monetary value alone, but for the spirit in which it was given.

The eight members of the Children of the Confederacy who unveiled the monument on May the 11th were: Misses Frances Fair, Mary Stewart Edwards, Katherine Heim, Lena Dellinger, Myrtle Padgett, and Jennie Saine, and Masters Kenneth Grigg and Sidney McCutchin.

One of the pleasant episodes of May 11th was the charming introduction of Mrs. Stonewall Jackson to the immense crowd by Mrs. F. M. Williams of Newton, State president of the United Daughters of the Confederacy. As Mrs. Jackson arose and faced the people smilingly, a great shout went up from thousands of throats and all the veterans and many others eagerly clasped the hand of the most distinguished living woman of the Confederacy.

MUSHROOM CORNS

Most Painful of All Foot Ailments.

How to Cure Them.

The Mushroom corn is so called from its pitted cone top, resembling a tiny mushroom. It burrows deep into the toe and gets more inflamed than other corns. For the quick relief and cure of these and all corns and callouses the following is the most effective remedy known to science:

Disolve 2 tablespoonfuls of Calocide compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) All soreness instantly disappears and the corn or callous can be easily peeled off. It may be necessary to repeat this for a number of nights for a complete cure, but if adhered to it will surely succeed. A little olive oil rubbed on the part is very beneficial. This Calocide is a very remarkable preparation for all foot ailments and is no longer confined to doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually sufficient to put the worst feet in fine condition. Bad smelling feet and tender feet need only a few treatments, likewise with inflamed bunions. This item will be welcomed by persons who have tried ineffectual powders and tablets.

Having qualified as administrator of the estate of David Yoder, late of the county of Lincoln, State of North Carolina, notice is hereby given, to all parties or persons having claims against said estate to present them to the undersigned on or before the 5th day of May, 1911, or this notice will be pleaded in bar of recovery. All persons indebted to said estate will make immediate payment.

This the third day of May, 1911.

DANIEL A. YODER, Administrator of David Yoder, deceased.

LINCOLN, NORTH CAROLINA

WORSE EVERY YEAR

Plenty of Lincoln Readers Have the Same Experience.

Don't neglect an aching back. It will get worse every year. Backache is really kidney ache. To cure the backache you must cure the kidneys.

If you don't other kidney ills follow—

Urinary troubles, dropsy, Bright's disease.

Follow the advice of the Lincoln people.

Mrs. Mattie Michal, of Lincoln, N. C., says: "For ten years kidney trouble caused me suffering and last summer my condition grew alarmingly worse. My back was very weak and painful and my feet and ankles often became so badly swollen that I could hardly stand. Headaches and dizzy spells bothered me and the secretions from my kidneys were a source of annoyance. When I had almost despaired of finding relief, I heard of Doan's Kidney Pills and obtained a box at Lawing's Drug Store. This remedy permanently cured me and today I am enjoying good health.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
