## MRS. SHIP TELLS LINCOLN COUNTY HER EXPERIENCES FAIR EXHIBITS

Mrs. Margaret Busbee Shipp Has Jus Returned From Interesting Stay Abroad.

Abroad. Mrs. Margaret Busbee Shipp, who returned to Raleigh Sunday fromfour-teen months on the Continent and in England visiting her two sons, Cap-tains William and Fabius Shipp, has had expereinces during her absence to a trip through Holland in tulip time says the Raleigh News and Ob-server. Mrs. Ship, it will be remem-bered, was one of the passengers on the illfated Powhatan, marooned at sea for several days without fuel. She wasn't discouraged, however, for the bad beginning of her journey, and her second attempt at crossing resulted in fourteen interesting months abroad, Mrs. Shipp spent at Antwerp, where

About hair of her solution abroad, pint or quart jars Cheries, canned and Captain Fabius Shipp is embarkation officer of the garrison of 250 Ameri-icans stationed there. Captain Willi-am Shipp is stationed at Romain. Ant-most in a numerical station of the garrison of

am Shipp is stationed at Romain. Ant-werp is an important port, through which all mail, ships, etc., bound for Coblenz must pass. The bodies of American soldiers are now being shipped home from Antwerp. The other seven months of her absence from America, Mrs. Shipp traveled in Holland, Belgium, France, Italy Sicily, Corsica, and England. Fine Spirit of Belgians The characterists of the Belgians

The characterists of the Belgians with which Mrs. Shipp was most im-pressed was the splendid spirit they have shown in building up their great counties have been changed for the State Fair this year. We may choose between the fruit juices and jellies, or

"You can ride for miles and miles without seeing a single tree which is alive." said Mrs. Shipp in speaking of her trip through the devastated areas of Belgium. "Then you will see houses usually made of just two rooms, the 26 or 40 isrs and jellies, or pickles. I think we ought to choose the pickles. Why, in the first place they carry well in shipment, then too, we can have such a big variety. The County exhibit will consist of wastes. usually made of just two rooms, the scraps which the soldiers have left remnants of their dugouts, with roofs, perhaps, of corrugated iron, the barest of the County and State Fair exhi-

essentials of a home, and yet the oc-cupants will have planted wall flowers about it, and there will be things in pickles, cucumber Sweet meats, Plain

(By Cleone E. Hobbs.) State School Nurse in Lincoln County, under the Bureau of Medical Inspec-tion of schools, State Board of Hachts (By. Mrs. Winn.) Now is the time to begin to get ready for the Big County Fair, which was decided upon and announced re-

Health. The object of Medical Inspection of Schools is the normal child. Like all Public Health work it spells preven-

**MEDICAL INSPECTION** 

**OF THE SCHOOLS** 

The ultimate goal is a good ciquote from the Journal 0 School Hygiene, "The hope of democ-racy is vested unequivacally in the Public School. "Hygiene means The Chronic condition Health.' of a person's health is often a fair index of his value as a citizen." "Good health implies good personal habits. Habits are formed only in youth, and chiefly before the middle teens. Every one knows how hard it is to break old habits that have fastened on us in child-hood. It follows ,therefore, that it becomes one of the supreme duties of the public school, in as much as long testing has demonstrated, the home to be often negligent in such matters, to foster correct habits in the children!

The work our State has been doing The work our State has been doing, along this line, in the past several years is to legislate and educate. Legislation without education is nil. To quote from the School Hygiene Journal again, "Democracy means more than a job and a home; it means also citizenship and Communal living. It implies co-operation and interde-pendence; it means freedom under the
