Perhaps one of the outstanding things and the things noticeable about the exhibits of farm and home products at the fair last week was diversification. Most anything not grown in the tropics, was on exhibit. The fact that Lincoln farmers are diversifiers is greatly responsible for the sturdy well-to-do class of farmers in this county. May they increase.

SAYS LINCOLN FAIR WAS O. K.

Mr. and Mrs. L. M. Allen of Hickory formerly of this county, were among the Lincoln Fair visitors last week. Talking fair to a reporter, Mr. Allen said the canned goods and field crops, pantry supply, and poultry exhibits at Lincoln Fair compared favorably with any he had seen anywhere. He said these beat anything he saw at the Atlanta fair or the Richmond fair. Both Mr. and Mrs. Allen returned home boosting the old home county fair, and hoping to see it grow bigger and better.

ARMISTICE DAY NEXT FRIDAY

Next Friday, Armistice Day, is three years from the date of the ending of the World conflict, which was a happy event all over the world, including Lincoln. On that very day the Disarmament Conference of the World meets in Washington to try to come to some agreement by which all nations shall cease to spend so much money for arms, and battleships. This is a most important occasion, the most important next to the meeting that formed the League of Nations. On that day Governor Morrison has asked christian in North Carolina to pray for the success of the conference. The people have also been asked by President Harding to cease all work for 3 minutes at noon on armistice day in honor of our soldiers who died at the front. At Arlington cemetery in Virginia, the body of an American unknown soldier is to be buried with impressive ceremonies in the National Cemetery. The schools of the town and county have been asked to put on a program appropriate to the day Friday.

10,000 BUSHELS SWEET POTATOES

The sweet potato storage house at Crouse now has more than 10,000 bushels of yams in storage, curing out for sale later. The capacity of this potato house is about 15,000 bushels.

ORGANIZE LINCOLN COUNTY CLUB AT UNIVERSITY

Chapel Hill, October 31. Editor Lincoln News:—In the last few years it has been the policy of the students at the University of North Carolina to organize County Clubs, where the number of students has been sufficient to make clubs worth while. In previous years there has not been sufficient number of men from Lincoln county to organize a County Club. Realizing the need of such a club, we: Burgin Lohr, Walter Costner, Clyde Goodson, Harold Thompson, Ralph Lore, Edwin Robinson, William Jenkins, and Raper Jonas, the boys from Lincoln County Club, met Saturday night, October 29, 1921 and organized a Lincoln County Club. The following officers were elected: Burgin Lohr, President; Walter Costner, Vice-President; Raper Jonas, Sec. & Treas.

Lincoln County Club

We elected Mrs. E. W. G. Huffman a former Lincoln girl, now residing in Chapel Hill, an honorary member of the club.

The purpose of this club is to keep the boys in touch with each other, to keep them in touch with the old home county, and to keep the County in touch with the University.

At any time, if anyone desires any information concerning the University, we hope he will feel at liberty to call upon us and we will do our best to accommodate him.—Raper Jonas, Sec. & Treas.

The American Legion had quite an entertaining time in making selection of its official flower. The contest was between the daisy and the poppy. The poppy was about to win when some one made suggestion that it is not a native flower, and that thought turned the scales for the daisy.—Charlotte Observer.

Lincolnton Highs Play First Game.

The Lincolnton High school football team Friday played its first game of the season; it was with Shelby High School team and resulted in a score of 68 to 0 in favor of Shelby. The home team has some good material and with practice and training will give a good account in the football world of the high schools. The Lincolnton line up: R. E., Chapman; r. t., Harrill; r. g., Setzer; c., Hauss; l. g., Royster; l. t., Yoder; l. e., Turner; q. b., McCubbin; r. h., Shuford; l. h., Love; f. b., Jenkins. SPECIAL CAST IN PHOTOPLAY COMING TO THE FORD THEATRE.

When the Rubye De Remer feature "Luxury" is shown at the Ford Theatre Tuesday the photoplay fans will receive a real treat, for in addition to Miss De Remer an especially strong cast of film favorites will appear in her support in what is said to be one of her best photoplay stories of the season.

The supporting cast is headed by Walter Miller who was also Miss De Remer's leading man in the film "The Way Woman Love" which scored a marked success. Among others are Rose Mintz, Grace Parker, Henry Pemberton, Frederick Kalgren and Thomas A. Magrane.

The children in the car were Pansy Walker, Grace Brandt, Ruth and Eunice Henson and Helen Walker. Two of them received slight flesh wounds and bruises. Williams was removed to a hospital. It is thought that he is internally injured.

Happily, few people take Tom Watson seriously or his monstrous charges in the senate yesterday would have created a sensation. The Georgia senator has a poisoned mind. He is different from people who are not so brilliant, but who endeavor to contribute something worth while to their country.—Hickory Record.

We sometimes wonder if anything ever happened to the world that didn't cause a famine in China.—Lafayette Journal and Courier.

People disagree about everything excepting that prices of things they have to sell are too low and the prices of things they must buy are too high.—Acheson Globe.

A First Aid for "Weak Circulation"

Keep the favorite windows warm and safe

Many well-lighted parts of the house are not only uncomfortable but unsafe as well when a cold, raw wind is blowing outside. Cold drafts do get in, somehow. But you can turn them into warm ones with a Perfection Oil Heater.

There are some corners that you just can't seem to warm up with your regular coal heater. A Perfection will do it and save "rushing" the furnace for hours at a time.

Too much heat is almost as bad as not enough. Keep the chill out of the house with your regular heating device and then supply the rooms you use most with the cheery warmth of a glowing Perfection.

The Perfection is remarkably light and durable. Put it just where grandmother wants it. It burns for about ten hours with a single filling.

Economize on coal this year by using more kerosene for heating. The price of Aladdin Security Oil is only about half what it was a year ago.

Almost all hardware, housefurnishing and department stores sell the Perfection Heater.
