Red Devil Lye— convenient to use

There's no inconvenience about using Red Devil Lye. It is put up in granulated form, the modern way to make lye. The can has an air-tight sifter top, which is opened quickly and closed easily. The tight-fitting cap keeps the contents fresh and dry.

Red Devil Lye, being granulated, dissolves almost instantly in hot or cold water. It is economical to use because you can measure just the quantity you need, and there is no danger of using too much. Don't be put off with out-of-date, unknown and wasteful brands. Insist upon genuine Red Devil—the lye that's easy to use.

FIERY, ITCHY ECZEMA IS HEALED RIGHT UP WITH THIS SULPHUR

Any breaking out of the skin, even fiery, itching eczema, can be quickly overcome by applying a little Mentho-Sulphur, says a noted skin specialist. Because of its germ destroying properties, this sulphur preparation instantly brings ease from skin irritation, soothes and heals the eczema right up, and leaves the skin clear and smooth. It never fails to relieve the torment and discomfort. Sufferers from skin trouble should get a little jar of Mentho-Sulphur from any good druggist and use it like a cold cream.

THE RED WAGONS ARE COMING

The great Rice Bros., Show will exhibit in Spray, Wednesday, August 22nd. The big show will arrive here aboard its special train of railroad cars, with all of its magnitude and grandeur, revealing a fairyland ever so dear to childhood's happy days. Enlarged two fold of its former size

grown and prospered during the past half a century, until today its appearance is hailed as an annual festive holiday. The show was founded in 1853 by Dan Rice.

Many new and unparalleled features of magnificence, novelty, daring and vastness will be displayed in this season's big show. Foremost among the feature acts will be the Clarksonian family of equestrians and riders; the Regal trio, intrepid equilibrists; the La Salle sisters, daring dancers on a lofty wire; the Rooney troupe of gymnasts and the Jordan family of incomparable aerialists. A score of clowns headed by Arthur Berry, Ab Miller, Joe Borela To and To and Art Adair, will furnish fun for the little folks.

The menagerie of the famous Rice Bros Show contains many interesting specimens of wild animals, among them being Tom Tom, an elephant the largest and oldest in captivity, being 2 inches taller than the famed Jumbo. A 10 cage zoo contains African and Nubian black maimed lions, tigers, pumas, jaguars and leopards.

There will be two performances the doors opening 1 and 7 P. M. A free exhibition will be held on the show grounds preceding each performance, in addition to a concert of popular and operatic selections by Prof. O. E. Duenweg and his military band.

The town and surrounding country is heavily billed for the appearance of the big show and a record breaking crowd is anticipated.
